(5) Any other costs, charges, expenses and claims which the tribunal consider may reasonably be treated, having regard to the principles and practice heretofore observed by prize courts, as being costs, charges, and claims which, had there been a grant of prize to captors, captors would have been liable to pay.

[8th August, 1918.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1. The following sections shall be substituted for section seven of the British Nationality and Status of Aliens Act, 1914 (hereinafter referred to as "the principal Act"), which relates to the revocation of certificates of naturalization:—

Substitution of provisions for section 7 of the principal Act. 4 & 5 Geo. 5. c. 17.

"**7.** (1) Where the Secretary of State is satisfied that a certificate of naturalization granted by him has been obtained by false representation or fraud, or by concealment of material circumstances, or that the person to whom the certificate is granted has shown himself by act or speech to be disaffected or disloyal to His Majesty, the Secretary of State shall by order revoke the certificate.

Revocation of certificate of naturalization.

"(2) Without prejudice to the foregoing provisions the Secretary of State shall by order revoke a certificate of naturalization granted by him in any case in which he is satisfied that the person to whom the certificate was granted either—

(a) has during any war in which His Majesty is engaged unlawfully traded or communicated with the enemy or with the subject of an enemy state, or been engaged in or associated with any business which is to his knowledge carried on in such manner as to assist the enemy in such war; or

(b) has within five years of the date of the grant of the certificate been sentenced by any court in His Majesty's dominions to imprisonment for a term of not less than twelve months, or to a term of penal servitude, or to a fine of not less than one hundred pounds; or

(c) was not of good character at the date of the grant of the certificate; or

(d) has since the date of the grant of the certificate been for a period of not less than seven years ordinarily resident out of His Majesty's dominions otherwise than as a representative of a British subject, firm, or company carrying on business, or all institution established, in His Majesty's dominions, or in the service of the Crown, and has not maintained substantial connection with His Majesty's dominions; or

(e) remains according to the law of a state at war with His Majesty a subject of that state;

and that (in any case) the continuance of the certificate is not conducive to the public good.

"(3) The Secretary of State may, if he thinks fit, before making an order under this section refer the case for such inquiry as is hereinafter specified, and in any case to which subsection (1) or paragraph (a), (c), or (e) of subsection (2) of this section applies, the Secretary of State shall, by notice given to or sent to the last-known address of the holder of the certificate, give him an opportunity of claiming that the case be referred for such inquiry, and if the holder so claims in accordance with the notice the Secretary of State shall refer the case for inquiry accordingly.

"(4) An inquiry under this section shall be held by a committee constituted for the purpose by the Secretary of State, presided over by a person (appointed by the Secretary of State with the approval of the Lord Chancellor) who holds or has held high judicial office, and shall be conducted in such manner as the Secretary of State may direct:

"Provided that any such inquiry may, if the Secretary of State thinks fit, instead of being held as aforesaid be held by the High Court, and the practice and procedure on any inquiry so held shall be regulated by rules of court.

"A committee appointed under this section shall have all such powers, rights, and privileges as are vested in the High Court or in any judge thereof on the occasion of any action, in respect of the following matters:

(a) the enforcing the attendance of witnesses and examining them on oath, affirmation, or otherwise, and the issue of a commission or a request to examine witnesses abroad; and

(b) the compelling the production of documents; and

(c) the punishing persons guilty of contempt;

and a summons signed by one or more members of the committee may be substituted for and shall be equivalent to any formal process capable of being issued in any action for enforcing the attendance of witnesses and compelling the production of documents.

"(5) Where a person to whom a certificate of naturalization has been granted in some other part of His Majesty's dominions

is resident in the United Kingdom, the certificate may be revoked in accordance with this section by the Secretary of State, with the concurrence of the Government of that part of His Majesty's dominions in which the certificate was granted.

“(6) Where the Secretary of State revokes a certificate of naturalization, the revocation shall have effect from such date as the Secretary of State may direct, and thereupon the certificate shall be given up and cancelled, and any person refusing or neglecting to give up his certificate shall be liable on summary conviction to a fine not exceeding one hundred pounds.

“7A. (1) Where a certificate of naturalization is revoked the Secretary of State may by order direct that the wife and minor children (or any of them) of the person whose certificate is revoked shall cease to be British subjects, and any such person shall thereupon become an alien; but except where the Secretary of State directs as aforesaid, the nationality of the wife and minor children of the person whose certificate is revoked shall not be affected by the revocation, and they shall remain British subjects:

Effect of revocation of certificate of naturalization.

“ Provided that—

“(a) it shall be lawful for the wife of any such person within six months after the date of the order of revocation to make a declaration of alienage, and thereupon she and any minor children of her husband and herself shall cease to be British subjects and shall become aliens; and

“(b) the Secretary of State shall not make any such order as aforesaid in the case of a wife who was at birth a British subject, unless he is satisfied that if she had held a certificate of naturalization in her own right the certificate could properly have been revoked under this Act, and the provisions of this Act as to referring cases for inquiry shall apply to the making of any such order as they apply to the revocation of a certificate.

“(2) The provisions of this section shall, as respects persons affected thereby, have effect in substitution for any other provisions of this Act as to the effect upon the wife and children of any person where the person ceases to be a British subject and such other provisions shall accordingly not apply in any such case.

“(3) Where a certificate of naturalization is revoked the former holder thereof shall be regarded as an alien and as a subject of the state to which he belonged at the time the certificate was granted.”

2. The following amendments shall be made in the principal Act:—

Minor amendments of the principal Act.

(1) In paragraph (b) of subsection (1) of section one (which defines natural-born British subjects) after the words “ had been granted ” there shall be inserted the words “ or had become a “ British subject by reason of any annexation of territory, or “ was at the time of that person's birth in the service of the “ Crown ”; and at the end of that section the following subsection shall be inserted:—

(5) In section ten (which relates to the national status of married women) at the end of the section there shall be added the words “and provided that where an alien is a subject of a state at war with His Majesty it shall be lawful for his wife if she was at birth a British subject to make a declaration that she desires to resume British nationality, and thereupon the Secretary of State, if he is satisfied that it is desirable that she be permitted to do so, may grant her a certificate of naturalization.”

(6) In subsection (1) of section twenty-seven (which contains definitions) at the end of the definition of “British subject” after the words “has been granted” there shall be inserted the words “or a person who has become a subject of His Majesty by reason of any annexation of territory,” and for subsection (2) of that section the following subsection shall be substituted:—

“(2) Where in pursuance of this Act the name of a child is included in a certificate of naturalization granted to his parent, or where, in pursuance of any Act repealed by this Act, any child has been deemed to be a naturalized British subject by reason of residence with his parent, such child shall, for the purposes of this Act, be deemed to be a person to whom a certificate of naturalization has been granted.”

3. (1) Where a certificate of naturalization has been granted in the United Kingdom during the present war to a person who at, or at any time before, the grant of the certificate was the subject of a country which at the date of the grant was at war with His Majesty, the Secretary of State shall refer for such inquiry as is provided for in the case of revocation of certificates the question whether it is desirable that the certificate should be revoked, and if such question shall be answered in the affirmative shall revoke the certificate, but this provision shall not apply to a person who at birth was a British subject.

Provisions

(2) No certificate of naturalization shall, before the expiration of a period of ten years after the termination of the present war, be granted in the United Kingdom to any subject of a country which at the time of the passing of this Act was at war with His Majesty, but this provision shall not apply to a person who—

- (a) has served in His Majesty's forces or in the forces of any of His Majesty's Allies or of any country acting in naval or military co-operation with His Majesty ; or
- (b) is a member of a race or community known to be opposed to the enemy governments ; or
- (c) was at birth a British subject.

4. (1) This Act may be cited as the British Nationality and Status of Aliens Act, 1918, and the principal Act and this Act may be cited together as the British Nationality and Status of Aliens Acts, 1914 and 1918.

Short title

(2) Every enactment and word which is directed by this Act to be substituted for or added to any portion of the principal Act shall form part of that Act in the place assigned to it by this Act; and the principal Act, and any enactments referring thereto, shall after the commencement of this Act be construed as if that enactment or word had been originally enacted in the principal Act in the place so assigned, and, where it is substituted for another enactment or word, had been so enacted in lieu of that enactment or word, and the expression "this Act" in the principal Act or this Act shall be construed accordingly.

(REVISED EDITION.)

GEORGE, R.I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, GREETING:

WHEREAS Her late Majesty Our Beloved Grandmother Queen Victoria by a warrant dated the 6th day of September, 1886, did institute and create a new Naval and Military Order of Distinction designated the Distinguished Service Order for the purpose of rewarding individual instances of meritorious or distinguished service in war;

And whereas the said Royal warrant was subsequently amended by Royal warrants dated 24th July, 1902, 2nd July, 1903, 15th October, 1903, and 23rd August, 1916;

And whereas it is Our Royal will and pleasure that the officers of Our recently constituted Air Force shall be eligible for appointment to Our said Distinguished Service Order;

And whereas We deem it expedient that all amendments to the statutes of Our said Order heretofore promulgated, or now to be promulgated, shall be incorporated in a Royal warrant under Our sign manual;

Now therefore We do hereby declare that the rules and ordinances heretofore in force for the government of Our said Order shall be abrogated, cancelled and annulled, and We are graciously pleased to make, ordain and establish the following rules and ordinances in substitution for the same, which shall henceforth be inviolably observed and kept:—

Firstly: It is ordained that this Order shall henceforth be styled and designated the “Distinguished Service Order.”

Secondly: It is ordained that the Order shall consist of the Sovereign, and of such Members or Companions as We, Our heirs or successors shall appoint.

Thirdly: It is ordained that We, Our heirs and successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be sovereigns of this Order.

Fourthly: It is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces or Marines, in Our Air Force or in Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy, Army or Air Force, the holder of which is entitled to honorary or relative Navy, Army or Air Force rank, nor shall any person be nominated unless his services shall have been marked by the especial mention of his name, by the Admiral or Senior Naval Officer Commanding a Squadron or Detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in despatches for meritorious or distinguished service in the Field, or before the enemy.

Fifthly: It is ordained that foreign officers who have been associated in Naval, Military or Aerial operations with Our forces shall be eligible to be Honorary Members of this Order.

Sixthly: It is ordained that when We, Our heirs and successors, shall be pleased to appoint any person to be a member of this Order, such appointment shall be made by warrant under Our sign manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly: It is ordained that any one who, after having performed services for which this Order is awarded, subsequently performs an approved act of gallantry which, if he had not received the Order, would have entitled him to it, shall be awarded a Bar to be attached to the riband by which the Badge is suspended, and for every additional such act an additional Bar may be added.

Eighthly: It is ordained that an officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Ninthly: It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our heirs and successors, and shall have the custody of the archives of the Order. He shall attend to the service of the Order and shall execute such directions as he may receive from our Principal Secretary of State for War.

Tenthly: It is ordained that this Order shall rank next to and immediately after Our Order of the British Empire, and that the Companions thereof shall in all places and assemblies whatsoever have place and precedency next to and immediately after the Commanders of Our said Order of the British Empire and shall rank among themselves according to the date of their respective nominations.

Eleventhly: It is ordained that the Badge of the Order shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath a laurel enamelled green, the Imperial Crown in gold upon a red enamelled ground and on the reverse, within a similar wreath and on a similar red ground, the Royal Cypher, and shall be suspended from the left breast by a red riband, edged blue, of one inch in width.

Twelfthly: It is ordained that the names of those whom We may be pleased to admit to membership of this Order shall be published in the *London Gazette*, and a registry thereof kept in the office of Our Secretary of State for War.

Thirteenthly: In order to make such additional provision as shall effectively preserve pure this honourable distinction, it is ordained that if any person admitted to membership of this Order shall be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall be erased, by an Order under the Royal sign manual, from the register of Members of the said Order. And it is hereby declared that We, Our heirs and successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our heirs and successors, to restore the name if such restoration should be justified by the circumstances of the case.

Lastly: We reserve to Ourselves, Our heirs and successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with these regulations or any part thereof by a notification under the sign manual of the Sovereign of the Order.

Given at Our Court at St. James's this first day of April, in the eighth year of our Reign, and in the year of Our Lord one thousand nine hundred and eighteen.

DOWNING STREET, 14th March, 1919.

MY LORD DUKE,

I have the honour to transmit to Your Excellency copies of a memorandum which has been issued by the Central Chancery of the Orders of Knighthood with regard to wearing the Insignia and Riband of the Order of the British Empire with morning dress. This being optional as regards both the Insignia and the Riband, the memorandum should not be considered as a regulation but only as a guide to those interested.

2. Certain other points with regard to the wearing of Decorations in the Dominion, Colonies and Protectorates have recently been raised and I think it desirable to communicate to you the decisions which have been reached:

(a) It is His Majesty's pleasure that the full sized badge of the Orders and Decorations below that of Commander of the Order of the British Empire may be worn with plain clothes (morning dress) on ceremonial occasions by civilians who are not in possession of civil uniform or court dress, in plain clothes (evening dress) on occasions when Orders, Decorations and Medals are worn, the miniature sized badge should be worn.

(b) In cases where military full dress is field service dress, with open collar, the badge of a companion or a Commander of an Order should be worn round the neck with the riband under the shirt collar and the badge over the tie, hanging just below the knot.

In the case of more than one badge, the second should be worn with the riband emerging from the top button hole of the coat, and showing very slightly, certainly not more than an inch. Additional badges should be worn below the second, but without any interval between the bottom of the second badge and the riband of the third.

(c) In morning dress the riband from which the badge of Companion or Commander of an Order is suspended is worn under the tie, which should be a bow, the badge hanging about three-quarters of an inch below the bow.

(d) Ladies may wear their Insignia in day dress on all official occasions.

(e) Both in day dress and evening dress, ladies should wear full size Insignia, miniatures should not be worn by ladies.

I have the honour to be,

My Lord Duke,

Your Grace's most obedient humble servant,

Governor General
His Excellency

MILNER.

My Lord Duke,

Your Grace's most obedient humble servant,

Governor General

His Excellency

The Duke of Devonshire, K.G., G.C.M.G., G.C.V.O., etc., etc.

A

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

Orders.

1. It is the King's wish that no subject of His Majesty in the service of the Crown shall accept and wear the insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:

(a) By warrant under the Royal sign manual, or

(b) By restricted permission conveyed through His Majesty's Private Secretary.

2. Permission given by warrant under the Royal sign manual will enable the insignia of the Foreign Order to be worn at all times and without any restriction.

Restricted permission will only enable the insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal sanction.

3. Full and unrestricted permission by warrant under the Royal sign manual is contemplated in the following cases:—

For a decoration conferred:—

On an officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

Red Cross and kindred services will only be regarded as "valuable" for the purposes of these regulations when they have been rendered in a war in which the Empire has itself been engaged, and when the decoration for the wearing of which permission is sought has been conferred by an Allied State.

4. Restricted permission is contemplated for decorations which have been conferred in recognition of personal attention to the head of a Foreign State, and which are therefore of a more or less complimentary character, and will, as a rule, only be given on exceptional occasions when in the public interest and for political reasons it is deemed expedient that the acceptance of a foreign decoration should not be declined. Restricted permission will generally be given in the following cases:—

For a decoration conferred—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited;

(Note.—A state visit is defined as one on which the King is accompanied by a minister or high official in attendance.)

(2) On members of deputations of British regiments to Foreign heads of States;

(3) On members of Special missions when the King is represented at a Foreign Coronation, Wedding, or Funeral; or on any Diplomatic representative when specially accredited to represent His Majesty on such occasions; and such members of his staff who actually attend the ceremonies in their official capacity;

(4) On Naval and Military Attachés only after completion of five years service at the post to which they are appointed in that capacity.

5. Restricted permission will *not* be given to—

(1) British Ambassadors or Ministers abroad when leaving;

(2) Members of British Missions announcing the accession of a Sovereign;

(3) British officers attending Foreign manœuvres;

(4) Naval officers of British Squadrons visiting foreign waters.

6. The desire of the head of a foreign state to confer upon a British subject in the service of the Crown the insignia of an order must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British diplomatic representative accredited to the head of the foreign state, or through his diplomatic representative at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the insignia of a foreign order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a warrant, if it be a case for the issue of a warrant as defined in Rule 2, to be prepared for the Royal sign manual.

When such warrant shall have been signed by the King, a notification thereof shall be inserted in the *Gazette*, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

8. The warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realm.

9. When a British subject in the service of the Crown has received the Royal permission, full or restricted, to accept and wear the decoration of a Foreign Order, he will not be allowed to accept and wear the decoration of a higher class of the same Order without His Majesty's approval, which will only be given if the higher honour is being conferred in circumstances contemplated by these Regulations.

Medals.

10. Medals conferred by the head or government of a Foreign State for saving or attempting to save life at sea or on land may be accepted and worn without His Majesty's special permission.

11. Other medals, with the exceptions specified below, are subject to the regulations in the same manner as Orders, but permission is given by letter and not by Royal warrant.

12. In the case of medals for Red Cross services, permission will only be granted in the conditions laid down in Rule 3 above.

13. Applications for His Majesty's permission to wear medals conferred by private societies or institutions and commemorative medals cannot be entertained.

14. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) officers of His Majesty's Military or Naval Forces if serving with a Foreign Army or Navy with His Majesty's license, and (2) Military or Naval Attachés or other officers officially attached to Foreign Armies or Navies during hostilities.

15. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the medal may be worn will be specified in the letter conveying His Majesty's permission.

General.

16. The term "person in the service of the Crown" includes persons in receipt of a salary or pension from public funds, or holding a Royal Commission in any part of His Majesty's Dominions, Protectorates, or Possessions.

17. Ladies are subject to the regulations in all respects in the same manner as men.

Foreign Office, December 31, 1918.

B

- (a) By warrant under the Royal sign manual, or
- (b) By restricted permission conveyed through His Majesty's Private Secretary.

2. Permission given by warrant under the Royal sign manual will enable the insignia of the Foreign Order to be worn at all times and without any restriction.

Restricted permission will only enable the insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal sanction.

3. The full and unrestricted permission by warrant under the Royal sign manual is designed to meet cases where the Decoration may be said to have been earned by some valuable service rendered to the head of the State conferring it, or to the state itself. Application will be made to His Majesty for full permission by His Majesty's Principal Secretary of State for Foreign Affairs on behalf of any person who, not being at the time in the service of the Crown, is either in the salaried employment of a Foreign State or has rendered valuable services within the period of two years immediately preceding the notification of the decoration to His Majesty's Government as prescribed under Rule 5.

The expression "valuable services" must be construed as meaning some service rendered to a foreign head of state or government specifically, and must be indisputably valuable in the strict sense of the word. Though such services need not necessarily be gratuitous, as in the case of a person actually in the employ of a foreign government, they must be unconnected with any transaction of a commercial or financial character brought about in the ordinary course of business. The term "valuable services" does not therefore, as a general rule, apply to services connected with the fulfilment of government or municipal contracts, the financing of government or municipal loans. It also does not include the presentation of objects of value to public museums and institutions, pecuniary donations or endowments, personal performances, services in connection with exhibitions and industrial congresses, services in the domain of arts, literature, science, education, and agriculture, services rendered by British subjects in the capacity of honorary foreign consular officers.

Red Cross and kindred services will only be regarded as "valuable" for purposes of these regulations when they have been rendered in a war in which the Empire has itself been engaged and when the decoration for the wearing of which permission is sought has been conferred by an Allied State.

4. Restricted permission is contemplated for decorations which have been conferred in recognition of personal attention to the head of a Foreign State or member of a reigning house, and which are therefore of a more or less complimentary character. Restricted permission is as a rule only given on exceptional occasions, when in the public interest and for political reasons it is deemed expedient that the acceptance of a Foreign Decoration should not be declined.

5. Both in the case of full and in that of restricted permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs.

The desire of the head of a Foreign State to confer upon a British subject the insignia of an Order, or the fact that he has done so, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the head of the Foreign State, or through the diplomatic representative of the latter at the Court of St. James. His Majesty's Principal Secretary of State for Foreign Affairs shall be under no obligation to consider claims that are not brought to his notice through one of these channels.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a warrant, if it be a case for the issue of a warrant as defined in Rule 2, to be prepared for the Royal sign manual.

When such warrant shall have been signed by the King, a notification thereof shall be inserted in the *Gazette*, stating the service for which the Foreign Order has been conferred.

Persons in whose favour such warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department, a stamp duty of 10s.

7. The warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's realms.

8. When a British subject has received the Royal permission, full or restricted, to accept and wear the decoration of a Foreign Order, he will not be allowed to accept the Decoration of a higher class of the same Order without His Majesty's approval. His Majesty will in such cases grant permission only if the promotion in the Order is conferred for fresh services which come within these regulations.

9. These regulations apply only to Orders of Chivalry. Decorations conferred by private societies and decorations of a purely academic nature, and all decoration not being Orders of Chivalry, may be accepted without His Majesty's permission, but must not be worn.

Exception is made in the case of a few foreign orders, which, though not in strictness Orders of Chivalry, yet are of such a high distinction that, for the purpose of these regulations, they are to be considered and treated as Orders of Chivalry.

Medals.

10. Medals, with the exceptions specified below, are subject to the regulations in the same manner as Orders, but permission to wear is given by letter and not by Royal warrant. No permission is needed to accept a foreign medal if it is not to be worn.

11. Medals for saving or attempting to save life at sea or on land conferred on behalf of the head or government of a Foreign State may be accepted and worn without His Majesty's special permission.

12. In the case of medals for Red Cross services, permission will only be granted in the conditions laid down in Rule 3, paragraph 3, above.

13. Applications for His Majesty's permission to wear medals conferred by private societies or institutions and commemorative medals cannot be entertained.

14. His Majesty will not grant permission to wear any Foreign War Medal if the person on whom it is to be or has been conferred was during the war acting in contravention of the *Foreign Enlistment Act*.

15. Ladies are subject to the regulations in all respects in the same manner as men. Foreign Office, December 31, 1918.

CANADIAN ORDERS IN COUNCIL.

Soldiers' Civil Re-Establishment.

P.C. 387—February 24, 1919—Whereas the Minister of Soldiers' Civil Re-Establishment reports:—

That under Order in Council (P.C. 1366) dated June 22, 1918, certain powers were conferred upon the Department of Soldiers' Civil Re-Establishment in respect to former members of the Naval and Military Forces of Canada, His Majesty's Forces other than those of Canada, and His Majesty's Allies in the present war;

That experience has shown that it is necessary to modify certain of these powers, and to extend others;

That the question of providing re-treatment for former members of the forces in cases where the disability is not clearly due to service, has been considered by the department, and the following ruling has been made:—

“When any ex-soldier applies for re-treatment, and it is questionable whether his disability is due to, or aggravated by service, the unit medical director should give the ex-soldier the benefit of the doubt, if in his opinion, the general resistive power of the ex-soldier against disease has been lowered by war service to such a degree that it has induced the disability from which he suffers when he presents himself for re-treatment;”

That on the return of a member of the forces from overseas, it has been found in many cases that there is a lowered physical resistance, which sometimes results in a disability not directly attributable to war service, but which undoubtedly is indirectly caused thereby. It is considered that this lowered resistance will prevail for some time after the retirement or discharge of the former member of the forces and that the department should be empowered to grant treatment and medicines only, to all former members of the forces who fall ill during the twelve months following the date of their retirement or discharge, when such treatment or medicine is not necessitated by a war disability;

That it may be pointed out that in Great Britain, either through the Ministry of Pensions or through National Health Insurance, provision is made for the grant of free treatment for all disabilities, when such incapacitate a man for work;

And whereas it is expedient to authorize the Department of Soldiers' Civil Re-Establishment, hereinafter called the department, as hereinafter set forth, such authority to supersede the authority granted under the Order in Council (P.C. 1366) dated June 22, 1918;

Therefore, His Excellency the Governor General in Council, under the powers vested in His Excellency by the *War Measures Act, 1914*, or by any other enabling authority, is pleased to order and it is hereby ordered as follows:—

1. The provisions of the Order in Council of the 21st February, 1918, (P.C. 432), with respect to treatment and training, shall extend and apply to all persons who have served in the Canadian Naval or Military Forces of His Majesty during the present war and who have been retired or discharged therefrom and who may now or hereafter be resident in Canada, and may in the discretion of the department be extended to all persons who have served in the Naval or Military Forces of His Majesty or any of His Majesty's Allies, during the present war and who have been retired or discharged therefrom and who may now or hereafter be resident in Canada and who were bona fide resident in Canada at the outbreak of the present war, (hereinafter referred to as former members of the forces), subject as follows:—

(c) Any former member of the forces suffering from a disability which in the opinion of a naval or military medical board, or of a medical officer of the department is due to or was aggravated by service, and which in the opinion of the director of vocational training of the department prevents such former member of the forces from returning to his previous trade or principal occupation, shall be entitled to re-training for a new occupation in accordance with the regulations of the department, and to such allowances as are provided herein for former members of the forces undergoing re-training.

Application made elsewhere.

Provided that where an application for a soldier entry is so made, the person receiving the same may, at the expense of the applicant, wire notice of receipt of the application to the office of record, whereupon, if the land is available, it shall be held for the applicant until the application papers are received.

Notice may be wired.

21. Where an application for soldier entry is made at any place other than the office of record, the person receiving the application shall not receive another application for entry on the same land until first application has been disposed of by the office of record.

No second application.

22. Every application for a soldier entry shall, except as hereinafter provided, be made by the settler in person.

Personal application.

23. Application for entry by proxy is permitted only in the case of a person making entry on behalf of a husband, wife, father, mother, son, daughter, brother or sister, when duly authorized to do so in the form prescribed, or in the case of a person who, for special reasons, has been given permission by the board to make entry on behalf of a settler.

Application by proxy.

The proxy must appear before the agent of Dominion lands for the district; sub-agents and local representatives are not authorized to accept applications or entry by proxy.

The settler on whose behalf such entry is made must, before the expiration of six months from the date of the entry, appear personally before the agent and satisfy him by declaration that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six months. Should he fail to make appearance, the agent shall, unless otherwise determined by the board, cancel the entry without notice at the end of six months from the date of entry.

Time.

24. Application for soldier entry shall be made only during the regular office hours on every day except Sunday and statutory holidays.

Declaration by applicant.

25. Every applicant for a soldier entry shall make a declaration in the form prescribed by the board that to the best of his knowledge and belief the land with respect to which his application is made is of the class open to entry and that there is no one in residence thereon, and shall state the improvements on the same, if any, and the value thereof; provided that where such declaration is subsequently found incorrect in any material particular, the entry shall be liable to cancellation.

No fees.

26. No fees shall be charged in connection with a soldier entry, but the applicant may be required to pay the value of the improvements, if any, on the land, and any charge or indebtedness against the land.

Application for lands not available.

27. An application for entry on land which is not available for entry at the time the same is made shall not give the applicant any priority of right in the event of the land becoming available.

CERTIFICATE OF ENTRY.

What constitutes entry.

28. When application is made in the manner hereinbefore described for land open to entry under the provisions of these regulations, the agent or officer acting for him shall accept it and issue to the applicant a certificate of entry, and the acceptance by the agent, or officer acting for him, of the said application and the issue of the certificate of entry shall constitute a soldier entry under the provisions of these regulations.

Certificate.

29. The certificate of entry shall entitle the recipient to take, occupy, use and cultivate the land entered for, and to hold possession thereof to the exclusion of any other person, and to bring and maintain actions for trespass committed on the said land; and the land shall not be liable to be taken in execution before the issue of letters patent therefor; provided that occupancy, use and possession of land so entered for shall be subject to the provisions of the Act, or regulations thereunder or amendments thereto.

PRIOR RIGHT OF ENTRY.

Squatter and Adjoining Settler.

Squatter before survey.

30. A person who has bona fide settled and made improvements on agricultural land before the survey thereof and was in occupation of and ordinarily resident on the land at the time of survey shall, if eligible to make entry for a soldier grant under these regulations, have a prior right to obtain entry for the land so settled on; Provided that this right is exercised within six months after notice in writing that the land is open for entry has been given by the agent to such settler, or has been posted in a conspicuous place on the land; and that entry shall not be allowed for more than a quarter-section as a soldier grant.

Squatter after survey.

31. The occupation of land after the survey thereof, without entry as provided by these regulations, gives the occupant no right thereto, and the occupant may be ejected as a trespasser, and his improvements forfeited to the Crown.

One day priority to adjoining settler.

32. On the day on which any land is to be made available for entry after being advertised or posted in the manner hereinbefore described, the privilege of entry thereon shall be restricted to a settler eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter-section and is still the owner thereof, or who was a squatter before survey on such quarter-section.

Conflicting Claims.

Determining priority.

33. In the event of their being more than one applicant claiming the prior right to entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the agent shall receive all applications for entry offering under the pre-

ceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the agent is advised by wire or otherwise on such day by a sub-agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the agent shall hold the land until such application made before the sub-agent or local representative has been received;

Application before sub-agent.

Provided further that if on account of sickness or other satisfactory reason shown to the agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the board;

Sickness of applicant.

Provided also that if the agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the board for consideration.

Doubtful cases.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

No compensation for timber.

44. If, after an entry is obtained, it is ascertained that the land entered for, or any portion thereof, is necessary for the protection of any water supply or for the location or construction of any works necessary to the development of any water-power, the board may, at any time before the issue of letters patent, cancel the entry or withdraw from its application, any portion of the land entered for, but where the land is required for the location or construction of works necessary for the development of any water-power, only in so far as the land is necessary for that purpose; provided, however, that no entry shall be cancelled under the provisions of this paragraph until the entrant has been compensated for any improvements made by him upon the land, the amount of such compensation to be fixed by arbitration if the entrant refused to accept the compensation allowed by the board.

P.C. 1621—July 2, 1918—Whereas the *Dominion Lands Act* (chapter 20 of the statutes of 1908) provides that every application for entry for a homestead shall be made by the applicant in person, unless otherwise provided by regulations made by the Governor in Council;

And whereas under regulations approved by Orders in Council dated the 26th of August, 1908, and the 11th of January, 1915, homestead entry may be made by proxy on behalf of a husband, father, mother, son, daughter, brother or sister.

And whereas it is represented that cases are likely to arise where a number of soldiers eligible for soldier grant entry under the terms of the *Soldier Settlement Act, 1917*, and eligible also to make ordinary homestead entry, desire to send one of their number in advance to select and enter for land on their behalf;

And whereas authority has already been taken under section 23 of the *Soldier Settlement* regulations to meet a case of this kind in so far as the soldier grant entry is concerned, but there is no corresponding provision in the case of an application for ordinary homestead entry by proxy on behalf of a "settler," as defined by the *Soldier Settlement Act*;

Therefore His Excellency the Governor General in Council, in view of the above, is pleased, on the recommendation of the Acting Minister of the Interior, to make the following regulation and the same is hereby made and established accordingly:—

In the case of a "settler" as defined by the *Soldier Settlement Act, 1917*, who is eligible to make ordinary homestead entry, application for entry by proxy may be permitted not only in the case of a person making entry on behalf of a husband, father, mother, son, daughter, brother or sister, but also in the case of a person who for special reasons has been authorized by the Department of the Interior to make entry on behalf of such "settler."

P.C. 1805—July 19, 1918—This Order in Council grants free entries on Dominion lands in the Forty-Mile Railway Belt of the province of British Columbia to settlers under the authority of the *Soldier Settlement Act, 1917*. See ante, p. xxxvii, *P.C. 1158*, May 14, 1918.

P.C. 123—January 17, 1919—Whereas it is provided by section 6 of the regulations passed under the authority of the *Soldier Settlement Act*, concerning the granting of loans to settlers, approved by Council on the 5th of April, 1918, and by section 7 of the regulations under the said Act concerning the granting of free entries on Dominion lands, approved by Council on the 14th of May, 1918, that "Upon the applicant's right as a settler being satisfactorily established, a statement in the form of an attestation of such right signed by the chairman of the board, shall be issued to such applicant."

And whereas qualification Committees are being appointed in each province of the Dominion under the Soldier Settlement Board to determine the qualifications of applicants to benefit according to the provisions of the Act and to convey their findings on each case to the provincial Supervisor of the board;

And whereas it is desirable in order to deal promptly with cases that the provincial supervisors shall have authority to issue certificates that applicants are qualified to benefit under the Act without reference to the board at Ottawa, and it is desirable to amend the regulations accordingly;

And whereas the benefits of the Act are limited to members of the Expeditionary Forces specified in the Act who have left the forces with honourable record or have been honourably discharged, and doubt exists as to what service constitutes honourable record and what is meant by being discharged honourably, and the Soldier Settlement Board has recommended that a definition be made of those members who are entitled to benefit under the Act,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, and of the Soldier Settlement Board, is pleased to make and prescribe the following regulations to be the "qualification regulations" of the Soldier Settlement Board and the same are hereby made and prescribed accordingly:—

Qualification regulations.

1. Pending amendment by statute defining eligibility, the members of the expeditionary forces specified in the *Soldier Settlement Act, 1917*, eligible to benefit thereunder as "settlers" are those members who have been discharged or left the forces after having served in an actual theatre of war or outside the country in which they enlisted, or in the case of the Canadian Expeditionary Forces, after having served in Canada only and having received injury or disability due to service for which pension has been granted; or the widows of any members who died on such service; provided that no member shall be entitled to the benefits of the Act if the discharge certificate or certificate of service granted him by the Department of Militia and Defence, or other military authorities as the case may be, shows dishonourable conduct or record.

2. Qualification committees shall be appointed in advisory capacities under the Soldier Settlement Board in each province to determine the qualifications of applicants. The committee

shall be satisfied that each applicant is qualified as to (a) military service, (b) physical and personal fitness to farm, (c) capital or assets, and (d) farming experience.

3. Any applicant wishing to make application under the Act shall be required to fill up a preliminary information form which shall be in the form provided by the board. The same shall be forwarded to the provincial supervisor. Unless found disqualified without further examination, the applicant may be required by the supervisor to appear in person before a qualification committee.

4. All applicants shall be required before their applications can be dealt with to produce certificates of discharge or other documentary evidence from the Department of Militia and Defence, or other proper military authorities as the case may be, establishing their military service and the character and the termination thereof as required by the *Soldier Settlement Act* and regulations thereunder, and the responsibility shall be upon all applicants of having in their possession and producing the official documents from the proper military authorities establishing their military service. In all cases where such evidence is not satisfactory, the qualification committee or supervisor may reserve decision until the applicant has obtained the necessary evidence. The best assistance of the Soldier Settlement Board shall be given when required to obtaining from the proper military authorities or Pension Boards the information required.

5. Any applicant holding an "attestation" issued by the board certifying to his eligibility so far as military service is concerned, subject to his ability to farm being approved, may be required to appear before a qualification committee before an application from him for loan is dealt with.

6. The qualification committee shall convey to the provincial supervisor its decision respecting each applicant, whether he is a person qualified as above, or is disqualified on one or more of the above-mentioned grounds, or is recommended for training at an agricultural school or with a practical farmer or otherwise. The record of the decision shall be signed by the chairman of the qualification committee or person acting for him.

7. In each case where the applicant is approved as qualified to benefit under the Act, the provincial supervisor shall issue to the applicant a "qualification certificate" which shall be in a form prescribed by the board. In other cases the applicant shall be notified of the training required, or other decision of the committee.

8. Such qualification certificate shall entitle the holder thereof to be dealt with as an applicant for soldier grant entry on available Dominion lands, or as an applicant for a loan on the security of land, as provided in the Act and the regulations thereunder.

9. Pending examination and decision by a qualification committee, the supervisor may, if the applicant is eligible by reason of military service to benefit under the Act, recommend such applicant for entry on Dominion lands under the *Soldier Settlement Act* and regulations thereunder, subject to confirmation after a decision of the qualification committee is given. Application for such entry shall be made in the prescribed manner, and the agent of Dominion lands shall reserve the land, if available, without issuing a certificate of entry pending examination by a qualification committee and pending agricultural training of the applicant, until notified of the final decision of the board. The applicant in the meantime shall not take possession of the land and shall have no rights in respect thereto.

10. Pending appointment of qualification committees, or in the event of qualification committees not meeting within reasonable time, the supervisor may in special cases of urgency, if satisfied that the applicant is qualified, issue a qualification certificate, or may prescribe agricultural training to be taken by the applicant before appearance before a qualification committee, or render such decision as is appropriate to the case.

11. The Soldier Settlement Board shall make such further provisions and regulations as to procedure and otherwise in determining the qualifications of the applicants as are deemed by the board necessary and which are not inconsistent with these regulations.

P.C. 299—February 11, 1919—Whereas the Minister of the Interior, as such, is charged with responsibility for the administration of the *Soldier Settlement Act*, through the Soldier Settlement Board;

And whereas many applications have been made, and many others will be made, to said board for land for soldier settlement;

And whereas Dominion owned lands available and suitable and within reasonable distance of marketing facilities will fall short of sufficient to satisfy such applications, and it is, therefore, inevitable, that Parliament should be asked to provide, as speedily as possible, authority and money for the acquirement of additional lands for soldier settlement;

And whereas conditions, the result of the granting to the enemy of the existing armistice—which produced an unexpectedly sudden and seemingly final cessation of actual warfare and rendered possible the now rapidly proceeding return and demobilization of the Canadian Forces—render the making by the

Governor General in Council, in anticipation and advance of action by Parliament, of effective provision for the acquirement of such lands and of live stock, equipment and building materials sufficient for disposition to soldier settlers intending to commence farming operations during this year, a matter of present urgent necessity,—

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, and under the authority of section 6 of the *War Measures Act, 1914*, or any other enabling authority, is pleased to enact and order and doth hereby enact and order as follows:—

1. For so long as, pursuant to the provisions of the *War Measures Act, 1914*, this order may lawfully endure, or until the Parliament of Canada shall otherwise provide, the Soldier Settlement Board of Canada, hereinafter referred to as the board have, and is hereby granted and invested with power and authority, in addition to such power and authority as it now has, to acquire by purchase, at prices which to said board, shall seem reasonable or otherwise to acquire, from all governments, departments of governments, persons and corporations, such suitable lands, situate in any part of Canada, and such live stock, equipment and building materials, as the board, for the purposes of soldier settlement, may decide to acquire, but not exceeding in aggregate cost the amount provided under authority of this order.

2. The board may sell to settlers, as in this order defined, any lands so acquired, or any other lands which, apart from the terms of this Order, the board now has or may acquire, or may have or may secure power to sell or dispose of to settlers, but subject, in every case of sale of lands acquired by the board, pursuant to the terms of this Order, to the following provisions:—

(a) Where the individual parcel of land to be sold has been separately acquired, the sale price shall be the cost of the parcel to the board.

(b) Where the individual parcel of land to be sold has been acquired as portion of one or more other parcels, the sale price shall be such amount as, in the opinion of the board, bears the same proportion of the cost of the entire parcel or parcels so acquired as the value of the parcel to be sold bears to the value of the parcel or parcels so acquired.

(c) The terms of payment shall be all cash down, or, at the option of the settler, not less than ten per cent cash down and the balance to be payable in twenty-five or less equal consecutive annual instalments, with interest at five per cent per annum, on the amortization plan, with full privilege of pre-payment. Provided that the board may, in the case of a settler who has had adequate and successful farming experience in Canada, and who is otherwise, in the opinion of the board, possessed of qualifications or equipment specially fitting him for success as a farmer, dispense the settler from the making of the whole or of any portion of the cash down payment, in which case the full, or the remaining portion of the sale price shall be paid, in manner hereinbefore provided with respect to a balance of price by instalments.

(d) No sale shall be made of a larger area than three hundred and twenty acres, nor, except in the case of a settler who is within the terms of the proviso in the next preceding paragraph of this section, shall the balance of purchase price left unpaid to the board at the time of sale exceed four thousand five hundred dollars, nor in the excepted case shall the balance or amount left unpaid exceed five thousand dollars.

3. The board may sell to such settler the live stock and equipment so acquired, but subject in every case of sale to the following provisions:—

(a) The sale price shall be such sum as, according to the calculations of the board, is the cost to it of the live stock or equipment to be sold.

(b) The terms of payment shall be all cash down, or, at the option of the settler, payment in four equal, consecutive, annual instalments, commencing at a date to be fixed by the board, not sooner than two years, and not later than three years from the date of the sale, with interest at five per cent per annum, on the amortization plan, said interest to begin to accrue two years from the date of the sale; the amount owing to the board upon such sale shall be a charge on the settler's land and the title, ownership and right of possession of the live stock and of the increase thereof and of the equipment so sold shall, until the sale price is paid remain in the board; the settler to have full privilege of pre-payment;

(c) The balance of sale price left unpaid to the board at the time of sale shall not exceed two thousand dollars.

4. The board may from time to time advance to any settler to provide or for application to permanent improvements, including buildings, on the settler's land, amounts in money or its equivalent not exceeding in the aggregate one thousand dollars, inclusive of the cost price of the board of building or other materials supplied by the board.

(a) Such advance shall be a charge on the settler's land and shall be repayable in twenty-five equal, consecutive, annual instalments, with interest at five per cent per annum on the amortization plan.

(b) The settler shall have full privilege of pre-payment.

5. All agreements, liens or charges shall be made in such form as is satisfactory to the board.

6. If the board determines, as respects any property, real, personal or other, acquired by it pursuant to the terms of this Order, or as respects any part of such property, that the same cannot or ought not to be sold subject, whether as to sale price or otherwise, to the provisions of this Order, the Board shall report to the Governor General in Council the circumstances, including a statement of the cost to it of such property or part thereof, and shall recommend another sale price, or other terms of sale, as the case may be, whereafter any sale of such property or of such part thereof shall be made for such sale price or upon such other terms as the Governor General in Council may direct.

7. All sales of property, real, personal or other, made pursuant to the provisions of this Order and whereon any balance of the sale price shall remain payable by instalments, shall be evidenced by agreement of sale, which shall fully set forth the terms of sale. If any instalment mentioned in any such agreement of sale is not punctually made, or if default is made in respect to any other provision of such agreement of sale, the board shall be at liberty, without any formal re-entry or retaking and without resort to proceedings in equity or at law, to rescind such agreement, to cancel such agreement of sale and to resell the property, real, personal or other, to another settler. The effect of such rescission and cancellation shall be to vest such property in the board absolutely free and discharged of all rights and claims of the settler and of all persons claiming or entitled to claim through or under him for an estate in, or lien, charge or encumbrance upon or against such property. If and when such property is resold by the board any surplus remains in its hands beyond the amount owing to it as balance of the sale price and interest at five per cent per annum and expenses of taking over and reselling the property, the board may pay such surplus to the settler, but if, instead, a deficiency arises, that deficiency shall be paid by the settler to the board, which shall have a right of action against him therefor. Before exercising the rights by this section given, the board shall give to the settler notice of its intention so to do, which notice shall be deemed duly given if mailed in any post office by registered letter addressed to the settler at his last address known to the board, thirty clear days before the board acts hereunder.

8. Notwithstanding any law, whether statute or otherwise, in force in any province, authorizing or requiring the registration, recording, or filing of deeds, mortgages, certificates or judgments, attachments, bills of sale or other documents which effect title to, or evidence the existence of liens or charges upon property, real, personal or other, or which authorize the levy upon, or sale under, attachments, execution, or other process, or the expropriation or seizure of, property, real, personal or other, unless the board shall otherwise consent in writing, (a) the lands of a settler, and (b) his live stock and equipment, which was sold to him pursuant to the provisions of this Order from the board, and the increase of any live stock which was sold to him as aforesaid, or the settler's interest in such lands, live stock and equipment, shall, for so long as the sale price or any part thereof or any interest thereon remain unpaid to the board, be and remain exempt from and not within the operation of such provincial laws.

9. Notwithstanding any law, whether statute or otherwise, in force in any province, unless the board shall otherwise consent in writing—

- (a) No deed, mortgage or other instrument executed by or for the settler, and no judgment recovered, or attachment, execution or other process issued, against the settler shall, as against the board bind or affect (i) the lands of the settler, or (ii) his live stock and equipment, which was sold to him by the board pursuant to the provisions of this order from the board, or the increase of any live stock which was sold to him as aforesaid, for so long as the sale price of said lands, live stock or equipment, or any part thereof or any interest thereon, remains unpaid to the board.
- (b) The wife of any settler shall not, for so long as the sale price, or any part thereof or any interest thereon, or any charge in favour of the board, remains unpaid upon any lands which were sold to a settler pursuant to the provisions of this Order by the board, have in priority of any claims or charge of the board against or upon such lands any estate of dower in such lands, nor, during the same period, shall the husband of any settler have in priority as aforesaid any estate of curtesy in such lands, nor shall the *Mechanics' Lien Acts* or other lien Acts or the dower or homestead laws of any province extend or apply in priority as aforesaid to said lands.
- (c) No sale, gift, delivery, barter, exchange, pledge, charge, lien or other transaction by or for the settler to or with any person, corporation or body other than the board, and purporting to affect or bind any of such lands, live stock or equipment or any part thereof, so sold, or the increase of any live stock so sold, shall, while the sale price of such lands, live stock and equipment, or of any part thereof, or any interest on such price thereof, remains unpaid, have as against the board any effect whatever, it being the object, intent and purpose of this Order, that for so long as any sum shall remain unpaid upon the aggregate advances or payments made from time to time by the board to or on behalf of a settler, and secured by or charged upon the properties, real, personal or other, upon which advances and payments have been made and so secured or charged by the board, shall be a continuing security for such sum or sums as shall at any time remain unpaid upon any of such advances and payments, and that none of such properties, on or by which such advances and payments are secured or charged, nor any interest of the settler therein, shall be capable of being voluntarily or involuntarily alienated or charged or encumbered to the prejudice of the claims or charges of the board, whether

subsequently to the security or charge of the board or otherwise, without the consent of the board, but all lawful transactions by or with and all lawful proceedings against the settler, and all provincial laws affecting him or his property or his property interests, shall, as respects any property, real, personal or other, sold to him by the board, have full effect otherwise, saving and excepting that if the produce or crop of the settler's lands sold to him by the board is seized or taken in execution or under any other process, whether the settler shall or shall not have fully paid for said lands, and whether said produce or crop is seized or taken standing, or out, or in barn, or otherwise, such produce or crop shall stand charged with a claim in favour of the board for payment of all instalments due or overdue at the time of seizure or taking, by the settler to the board in respect of the settler's land, live stock, equipment and permanent improvements, and as well all such instalments as will mature within twelve calendar months thereafter.

10. The word "settler" where used in this order shall mean "settler" as defined in the *Soldier Settlement Act, 1917*, and the expression "his land" and similar expressions throughout this order, having reference to the settler shall be deemed to refer to property, real, personal or other, according to the context, which was sold to the settler by the board, pursuant to the provisions of this order, whether such property is or is not fully paid for.

11. For enabling such acquirement of lands, live stock, equipment and building materials, the amount appropriated by Parliament for the purposes of the *Soldier Settlement Act, 1917*, may be used, and in the event of such appropriation being insufficient, the Minister of Finance shall, out of the War Appropriation, 1918-19, provide to the credit of the Soldier Settlement Board of Canada, the sum of two million dollars.

P.C. 925—May 3, 1919—Whereas the Minister of the Interior reports that it is provided under the regulations of the Soldier Settlement Board affecting Dominion lands, established by the Order in Council of the 14th day of May, 1918, that upon the applicant's right to obtain the benefit of the said regulations by reason of his military service being satisfactorily established, a statement in the form of "attestation" of such right, signed by the chairman of the Soldier Settlement Board, shall be issued to the applicant;

And whereas it is deemed desirable by the Soldier Settlement Board that authority be granted to the provincial superintendents of the board to issue in certain cases to the applicant a statement in the form of "attestation" as aforesaid, such statement to have the same force and effect as if signed by the chairman of the board; also that in the absence of the chairman that another commissioner of the board be authorized to sign,—

Therefore, His Excellency the Governor General in Council, is pleased to order and it is hereby ordered that section 9 of the qualification regulations of the Soldier Settlement Board, established by the Order in Council of the 17th day of January, 1919, shall be and the same is hereby repealed, and the following substituted therefor:—

9. If the applicant is qualified with respect to his military service, and is desirous of securing a soldier grant entry on Dominion lands, a statement in the form of "Attestation" of his right by reason of his military service may be issued to him by the Chairman or other Commissioner of the Soldier Settlement Board, or by a provincial superintendent of the board, which shall have the same force and effect as an "attestation" issued under the provisions of section 7 of the Soldier Settlement Board regulations affecting Dominion lands, as established by the Governor in Council on the 14th day of May, 1918.

War Service Gratuity.

P.C. 3165—December 21, 1918—Whereas the Minister of Militia and Defence and the Minister of the Naval Service report that by Order in Council, (P.C. 2032), dated the 17th day of August, 1918, certain regulations respecting payment of post discharge pay to officers, warrant officers and men of the Naval and Land Forces of Canada were enacted.

That in view of the signing of the Armistice in the European War and the consequent demobilization thereafter, a "War Service Gratuity" should be paid to the officers, warrant officers and men of the Naval and Land Forces in place of post discharge pay, and, further that it is desirable that the regulations hereinafter set forth should be made effective from the beginning of the war as regards officers, warrant officers and men of the Naval Forces who have served in a ship of the Royal Navy, and such officers, warrant officers, and men of the Land Forces as have served at the front in an actual theatre of war; and from the 11th November, 1918, as regards officers, warrant officers and men who have not served as above.

Therefore, His Excellency the Governor General in Council is pleased to order, and it is hereby ordered that the said Order in Council of the 17th day of August, 1918, shall be and the same is hereby cancelled, and that the following regulations shall be and they are hereby enacted in lieu thereof:—

1. In these regulations, unless the context otherwise requires:—

 - (f) "pay and allowances" includes the pay and allowances receivable in money by the officer, warrant officer or man concerned or by his dependents by reason of his service, except allowances in lieu of rations and quarters of subsistence allowance or messing allowance.
2. Except as in these regulations otherwise provided, every officer, warrant officer or man who has served or may hereafter serve in the naval or in the land forces of Canada on active service, as set out in the first column of the schedule of these regulations, who was on the strength of the naval or land forces of Canada on active service on the 11th November, 1918, and who on or after the 11th November, 1918, retires or is retired or is discharged during the present war or during demobilization thereafter, and his dependents shall be entitled to receive a war service gratuity equal in amount to the pay and allowances he and his dependents would have received if he had remained in the service for 31, 61, 92, 122, 153, or 183 days after his retirement or discharge, as specified in the second column of the said schedule, at the same rate of pay and allowances as he and his dependents were receiving or were entitled to receive at the time of his retirement or discharge, or in the case of the Naval Service at the rate of pay and allowances which he and his dependents would have received but for the fact that he was in receipt of any form of lodging allowance or allowances in lieu of provisions, or if he reverted or was reduced overseas to rank lower than the temporary substantive rank held by him on his arrival overseas, unless such reversion or reduction was in consequence of misconduct or inefficiency, than at the rate of pay and allowances to which he and his dependents would have been entitled if he had not so reverted or been reduced, provided that:
 - (a) In the case of an officer, warrant officer, or man with dependents who are entitled or who, if he had immediately prior to his retirement or discharge been in receipt of ordinary Canadian Expeditionary Force rates of pay and allowances, would have been entitled to receive a portion of the gratuity equal to separation allowance; if the amount of the gratuity to which he and his dependents are entitled as above, for a 31-day period, is less than \$100, a consolidated rate of \$100 will be paid in lieu of every payment of 31 or 30 days' pay and allowances, to which he and his dependents are or would have been entitled, as above.
 - (b) In the case of an officer, warrant officer or man without dependents such as are described in clause (a), above, if the amount of the gratuity to which he is entitled, as above, for a 31-day period is less than \$70, a consolidated rate of \$70 will be paid in lieu of every 31 or 30 days' pay and allowances, to which he is entitled, as above.
3. Where separation allowance has been paid or was payable during the service of any officer, warrant officer or man to any dependent or dependents of his, and also in the case of the Naval Service, where separation allowance would have been payable to any dependent or depend-

ents of his but for the fact that he was in receipt of any form of lodging allowance or allowances in lieu of provisions, a portion of the gratuity payable under the preceding paragraph, equal to the separation allowance for the period by reference to which the gratuity is calculated will be paid to the dependent or dependents of such officer, warrant officer or man, who would have been entitled to it if the service of the officer, warrant officer or man had continued, and to the extent of the amount thereof shall be deemed to be a payment in part of the gratuity aforesaid.

6. Any overpayment made to any officer, warrant officer or man or to his dependents may be deducted from the gratuity hereby authorized.

7. If any officer, warrant officer or man, before he and his dependents have received any part of the whole of the gratuity to which they have become entitled under these regulations, is notified as having joined and has been in receipt of pay from any Canadian Naval or Land Force, other than that from which he is retired or discharged, the gratuity or the part thereof which at the time remains unpaid shall not be paid but such officer, warrant officer or man and his dependents, upon his subsequent retirement or discharge, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which has not theretofore been paid, by reference either to the pay and allowances of which they were in receipt or to the pay and allowances of which they are in receipt at the time of such subsequent retirement or discharge, whichever were the higher, and he shall, for the purpose of determining the amount of the gratuity by reference to the length and the character of his service, be entitled to count his service in both forces.

8. No officer, warrant officer or man of the Naval or Land Forces, entitled to receive any gratuity in the nature of post discharge pay from the Imperial Government or his dependents shall receive the gratuity herein provided for unless the gratuity allowed under these regulations exceeds the amount of the gratuity granted by the Imperial Government, in which case the difference will be paid.

9. If any officer, warrant officer or man brought forward for retirement or discharge is entitled, pursuant to the recommendation of a Medical Board or a medical officer to receive pay and allowances (other than pension) from the Department of Soldiers' Civil Re-establishment he and his dependents shall not be paid the gratuity until he has submitted to such treatment as the Department of Soldiers' Civil Re-establishment direct and has ceased to receive full pay and allowances from such department. The gratuity when no longer not payable as above, shall be paid in alternate monthly instalments of 31 and 30 days' pay and allowances.

10. If a Naval or Military Medical Board or a Medical Officer of the Department of Soldiers' Civil Re-establishment reports that an officer, warrant officer or man should undergo treatment, and such officer, warrant officer or man unreasonably refuses to undergo such treatment, or if by reason of the misconduct of such officer, warrant officer or man, while undergoing treatment, it is necessary in the discretion of such department to discontinue treatment, the gratuity aforesaid or any part thereof, to which such officer, warrant officer or man and his dependents, at the time such report is received or such treatment is discontinued by the said department may be entitled, may be withheld until the said department has certified that such officer, warrant officer or man has undergone and completed to the satisfaction of the said department the treatment so recommended, or that such misconduct has been excused. Upon the gratuity, being no longer withheld as above, the payments of same shall be made in alternate monthly instalments of 31 and 30 days' pay and allowances. The decision as to what under the provisions of this paragraph constitute unreasonable refusal or misconduct shall rest with the said department, and its decision shall be final.

11. If any officer, warrant officer or man, before he and his dependents have received any part of the whole of the gratuity herein provided for, is reported as being entitled to or in receipt of full pay and allowances from the Department of Soldiers' Civil Re-establishment the gratuity or the part thereof which, at the time, remains unpaid, shall not be paid, but the officer, warrant officer or man and his dependents, upon his subsequent ceasing to be entitled to or to receive

such pay and allowances, shall, if then otherwise eligible to receive the gratuity, be entitled to receive the same or the part thereof which remains unpaid in alternate monthly instalments of 31 and 30 days' pay and allowances.

12. (a) If any officer, warrant officer or man dies before he and his dependents have received any part or the whole of the gratuity herein provided for and if there survive him dependents who would have been entitled under paragraph 3, above, to a portion of the gratuity equal to separation allowance, or who would have been so entitled had the officer, warrant officer or man been in receipt of ordinary Canadian Expeditionary Force rates of pay and allowances immediately before his retirement or discharge, the portion of the gratuity unpaid at the time of his death shall be payable to such dependents.

14. The gratuity herein provided for, except as in these regulations otherwise provided, shall be payable to any officer, warrant officer or man and his dependents, as follows:

31 days' pay and allowances on the day of his retirement or discharge and the remainder, if any, in alternate monthly payments thereafter of 30 and 31 days' pay and allowances.

15. 16. Nothing in these regulations shall adversely affect the rights of any officer, warrant officer or man heretofore retired or discharged under the Order in Council cancelled hereby and his dependents; and in any case where an officer, warrant officer or man of the Naval Forces has served on active service in a ship of the Royal Navy, or where an officer, warrant officer or man of the Land Forces has served on active service at the Front in any actual theatre of war, and was entitled under the Regulations in force at the time of his retirement or discharge to no gratuity or to a gratuity smaller than the gratuity to which he would have been entitled had these regulations been in force at the time of such retirement or discharge, the gratuity provided for by these regulations, less the amount of post discharge pay paid, will be paid to the officer, warrant officer or man and his dependents.

SECTION 2.—GENERAL INSTRUCTIONS.

10. These regulations will be effective from the 1st day of January, 1919, and supersede all other regulations and enactments previously issued in respect of separation allowance. They will have no retroactive effect other than to confirm decisions already given and action taken in accordance with them.

RATES OF ALLOWANCE.

11. The rates of allowance shall be as follows:—

Rank and file, \$30 per month.

Sergeants and higher rank below that of W.O. (1st Class), \$30 per month.

Warrant officers (1st Class), \$35 per month.

Lieutenants, \$40 per month.

Captains, \$40 per month.

Majors, \$50 per month.

Officers of rank higher than that of major, \$60 per month.

12. No person shall receive more than one allowance for his or her own benefit.

13. Separation allowance shall not be issued in respect of a nursing sister who is herself in receipt of separation allowance as a dependent.

14. Only the one allowance may be issued on account of any officer or soldier, and that will be paid to or for his dependent. In exceptional cases, however, as for instance when there is a wife in one locality and children by a former wife in another, the allowance may be divided.

15. If the officer or soldier is in receipt of a salary from the Dominion or a Provincial Government during his service with the Canadian Expeditionary Force, no separation allowance will be paid on his account, unless the salary in question is less than the rate of separation allowance, in which case the difference will be paid.

16. Officers on whose account separation allowance is issuable on the ground of "sole support" and soldiers on whose account separation allowance is issuable or on whose account separation allowance would be issuable, except for the fact that pay from the Dominion or a Provincial Government is issuable, must assign to their dependents not less than 15 days' pay of rank (working pay and field allowance excluded). Such soldiers as above in receipt of working pay will be required to make a remittance of fifty per cent of their working pay to such dependents, in addition to the above compulsory assignment; such soldiers in the Forestry Corps in receipt of consolidated rates of technical pay will be required to remit 50 per cent of such consolidated pay to their dependents. In cases where no such assignment or remittance has been made, a compulsory assignment of 15 days' pay of rank (working pay and field allowance excluded) and a compulsory remittance of 50 per cent of working pay or consolidated pay, above described, may be put in force against the account of the officer or soldier. In cases where a compulsory assignment or remittance is put in force against an officer or soldier, the officer or soldier will be notified forthwith of the action taken. Should he object and submit reasons for his objections, it will be decided whether the compulsory assignment or remittance shall be continued or not.

SECTION 3.—CASUALTIES TO THE OFFICER OR SOLDIER.

17. In the case of an officer and in the case of a non-commissioned officer promoted to warrant officer (class one). Separation allowance will increase automatically with promotion, provided such promotion has been confirmed and published in Part II, Daily Orders, quoting competent authority.

18. Promotion to acting rank will also carry with it an increase of separation allowance, provided the officer or acting warrant officer is authorized to draw the pay and allowances of such higher acting rank; or if in receipt of consolidated rate of pay, the rate applicable for any higher acting rank which he holds, instead of the rate authorized for his temporary substantive rank.

19. Increase of separation allowance in the above cases will take effect from the date on which such promotion occurred.

20. The rate of separation allowance will not be reduced when an officer or soldier reverts or is reduced overseas to rank lower than the temporary substantive rank held by the officer or soldier on his arrival overseas, unless such reversion or reduction is in consequence of misconduct or inefficiency. If the rate of separation allowance is reduced in consequence of reversion or reduction to lower rank, such decrease will take effect from date of reversion or reduction.

21. In the cases of officers and soldiers who die while serving and whose dependents are in receipt of separation allowance, separation allowance and assigned pay will continue to be paid until the end of the month in which the casualty is reported.

22. In the cases of officers and soldiers who are reported missing and whose dependents are in receipt of separation allowance, separation allowance will continue to be paid monthly thereafter and assigned pay will continue as from the first day of the month following that in which the casualty is reported begin to be paid monthly thereafter at a rate equal to 15 days' pay of rank of the officer or soldier (working pay and field allowance excluded) until the end of the month in which the officer or soldier is officially reported dead. In cases where Permanent Force allowances have been paid to a dependent in lieu of separation allowance, the assignment in force will continue to the end of the month in which the casualty is reported, and a sum equal to separation allowance and 15 days' pay of rank of the officer or soldier (working pay and field allowance excluded) will be paid from the 1st day of the month following that in which the officer or soldier was officially reported missing until the end of the month in which the officer or soldier is officially reported dead.

23. In the cases of officers and soldiers who die while serving or are reported missing and whose dependents are in receipt of assigned pay only, assigned pay will be continued to the end of the month in which the casualty is first reported.

SECTION 4.—WITHDRAWAL, CESSATION AND SUSPENSION.

24. The allowance will be discontinued to a dependent who is, owing to serious misconduct, unworthy to receive it.

25. Except as provided in para. 26, the allowance, if otherwise issuable, will not be withheld for periods in which the officer or soldier forfeits pay.

26. Payment of the allowance and assigned pay will be suspended upon an officer or soldier being reported absent without leave. The account will be closed from the date on which it was suspended, upon the officer or soldier having been absent without leave for 21 days. If the officer or soldier rejoins within seven days, payments suspended under the above provision will be resumed from the date suspended, but if he is absent without leave for more than seven days the allowance will be resumed only from the date upon which he rejoins, and assigned pay not exceeding fifteen days' pay of rank per month will be paid dependents from the date the allowance was resumed.

27. Dependents of officers and soldiers reported "prisoners of war" will continue to draw the allowance as if the officer or soldier were still on active service.

28. When an officer is struck off strength or a soldier is discharged without post discharge pay, or war service gratuity separation allowance will be continued to the end of the month in which the officer or soldier is struck off strength or discharged. When an officer is dismissed the service or a soldier is discharged with ignominy, the allowance will cease on the date of the promulgation of the sentence.

SECTION 5.—WIVES AND LEGITIMATE CHILDREN.

29. The allowance will not be granted for motherless children of an officer or soldier if it appear that the officer or soldier has not supported such children for a reasonable period.

30. When the allowance is claimed by an officer or a soldier for his motherless children, a guardian of the children should be named in writing by the officer or soldier for the purpose of receiving the allowance.

31. The allowance will not be issued for dependents who are maintained in a Dominion or Provincial Institution at the expense of the Dominion or a Provincial Government.

32. Where a wife is separated from her husband by divorce, written separation agreement, judicial decree of separation from bed and board, or other similar judicial decree parting her from her husband, and is entitled under such agreement or by order of a competent court to payments from her husband, she will be eligible to receive only the amount of such payments. Such payments will be made from separation allowance issued to her, and if the separation allowance does not equal the amount so agreed upon or ordered to be paid by the court, a compulsory assignment of pay, equivalent to the difference between separation allowance and such payments, but not exceeding 15 days' pay of rank (working pay and field allowance excluded) of the officer or soldier, may be put into effect against the officer or soldier.

33. Where a wife is separated from her husband, as set out in para. 32 above, and is living apart from the children and is not charged with their care, separation allowance or assigned pay or a portion thereof, subject to any valid claim of the wife by virtue of separation agreement or judicial decree, may be issued to the guardian of the children.

34. If a wife has been separated from her husband by divorce, written separation agreement or judicial decree, and it does not appear that the husband is absolved from supporting her, and if the wife furnishes satisfactory explanations for not having obtained a judgment for alimony, separation allowance may be issued to the wife.

35. Where the separation is by virtue of divorce, written separation agreement or judicial decree, and the wife for a reasonable time prior to the enlistment of the officer or soldier was separated from him and was not in receipt of any payments from him or entitled to any payments under an order for maintenance, no issue of separation allowance will be made, unless the officer

or soldier assigned to her 15 days' pay of rank (working pay and field allowance excluded). If the wife is entitled to payments from her husband under an order for maintenance, such payments may be made as prescribed by Order in Council (P.C. 186), dated 24th January, 1918.

SECTION 6—OTHER DEPENDENTS.

36. In case where the allowance is issuable under para. 4, clause (1), and the officer or soldier marries after enlistment, if the dependent under para. 4, clause (1), has one or more children of the officer or soldier, the allowance will continue to be paid to her as the guardian of such children, but assigned pay may be transferred to the legal wife. If such dependent has no children of the officer or soldier and the legal wife of the soldier is eligible to receive the allowance, the allowance will be discontinued to the dependent above mentioned and be paid to the legal wife.

37. Any material improvement in the financial condition of a mother receiving the allowance as a mother, must be at once communicated to the officer issuing separation allowance, and the withholding of such information whereby payments have been obtained shall be deemed to constitute fraudulent action.

38. The allowance to a widowed mother will cease upon her remarriage or upon the marriage of her son in respect of whom the allowance has been granted.

SECTION 7.—DEATH OF DEPENDENT.

39. In cases where a dependent who is in receipt of separation allowance dies, separation allowance and assigned pay must be paid for the month in which the dependent dies, in trust to be applied towards the funeral expenses of the dependent.

SECTION 8.—PROCEDURE FOR MAKING CLAIMS ON ENLISTMENT.

40. On appointment, every officer, and, on enlistment, every soldier claiming separation allowance for a dependent will make application for same to the paymaster of his unit. All applications for the allowance on the ground of "sole support" and as "guardian" must be accompanied by statutory declarations and such other documentary evidence as may be required to substantiate the claim.

41. A soldier who has a dependent, but considers such dependent not eligible for separation allowance under these regulations, will be required to deliver to the paymaster of his unit a statement under oath of the reason he considers such dependent not eligible for the allowance. Otherwise, if such dependent make a claim for separation allowance, it will be assumed that the officer or soldier knows no valid reason why the allowance should not be granted and a compulsory assignment put in force against him.

42. Where the claim for separation allowance under para. 40 is refused as inadmissible, the amount of pay assigned by the soldier will be paid to the person named, unless it appear that the soldier has a dependent eligible for separation allowance, in which case separation allowance may be granted to such dependent and action taken in accordance with para. 16 above.

CLAIMS AFTER ENLISTMENT.

43. An officer or soldier intending to marry must inform his paymaster of such intention a sufficient length of time in advance of the marriage to allow steps to be taken to discontinue the issue of any separation allowance or assigned pay previously authorized for another dependent on his account. He will, at the same time, state whether such issue of separation allowance or assigned pay has been authorized and, if so, to whom.

44. As soon as the marriage has taken place upon the production to the paymaster of the marriage certificate, notification, showing the date and place of marriage and the wife's full name and address, will appear in Part II Orders, and an application for separation allowance will be completed by the officer or soldier and delivered to the paymaster. The latter will satisfy himself that the wife of the soldier is of good character before any action in respect of payment is taken. If there is any doubt in the matter, the fullest inquiry is to be made by the paymaster and a report sent to the officer issuing the separation allowance and assigned pay.

45. In cases of dependents other than wives and legitimate children unless the application for separation allowance is made within sixty days of appointment or enlistment, no arrears of the allowance will be issued for the period prior to the first day of the month in which application was made.

15. Any person violating or infringing any of the provisions of these regulations shall be liable, upon summary conviction under the provisions of Part XV of the *Criminal Code*, to a fine not exceeding five hundred dollars (\$500), or to imprisonment for a period not exceeding six (6) months.

17. The Governor General in Council may from time to time make further or other regulations for carrying these regulations into effect.

Intoxicating Liquors.

P.C. 274—February 8, 1919—Whereas the Minister of Militia and Defence reports as follows:—

That the provisions of the laws in the various provinces of Canada, with regard to the sale of liquor to soldiers in uniform are not sufficiently effective in many cases, especially in the case of civilians purchasing or procuring liquor from licensed dealers and delivering it to soldiers outside the premises without the sale thereof;

That in view of the great number of troops now returning to Canada, it is necessary, in the interests of military discipline and efficiency and for the pro-

tection of soldiers generally, that further restrictions be made in regard to the furnishing of liquor to soldiers in uniform and not on duty. Considerable difficulty has been experienced on account of liquor being supplied to soldiers on troop trains proceeding from the point of disembarkation;

That by Order in Council of the 4th December, 1916 (P.C. 2989) certain regulations were made prohibiting the furnishing of liquor to any member of His Majesty's Forces, while performing certain military duties therein enumerated,—

Therefore His Excellency the Governor General in Council, under the powers conferred upon him by the *War Measures Act, 1914*, is pleased to order and it is hereby ordered that the said Order in Council of the 4th December, 1916 (P.C. 2989), be cancelled, and that the following regulations be substituted therefor:—

1. The sale, gift or delivery of intoxicating liquor to officers and men in uniform, whether members of the C.E.F. or otherwise, and whether on duty or on leave, and under any circumstances save in the course of regular medical treatment administered by or under the direction of medical officers of the C.A.M.C. on active service, or otherwise, in the course of lawful medical or hospital treatment by or under the direction of legally qualified physicians or surgeons, is expressly forbidden.

2. Every person other than medical officers and physicians and surgeons as provided for in the next preceding paragraph, even if licensed for the sale of intoxicating liquor, who sells, gives or delivers intoxicating liquor to officers and men in uniform in violation of these regulations, or of any other regulations in that behalf, shall be guilty of an offence under section 40 of *The Army Act*, and may be apprehended and detained as if subject to military law and tried by general or district court martial, as the circumstances may demand in the opinion of officer commanding the district in which the offence was committed.

3. Any person guilty of a violation of any of these regulations shall, whether or not he is liable to any other punishment, be liable on summary conviction under the provisions of Part XV of the *Criminal Code* to a fine not exceeding \$300 or to imprisonment for any term not exceeding twelve months, or to both fine and imprisonment.

4. In any prosecutions under these regulations the onus shall be upon the accused of proving that the sale, gift, or delivery of such intoxicating liquor to soldiers in uniform was not in contravention of these or any other regulations on this behalf.

Vide Canada Gazette, vol. lii, p. 2767.

P.C. 413—February 24, 1919—Whereas on the 22nd day of December, 1917, the Prime Minister announced that the importation of intoxicating liquor into Canada would be prohibited thereafter, that the transportation of such liquor into any part of Canada wherein the sale of intoxicating liquor was illegal would be prohibited on and after 1st April, 1918, and that the manufacture of intoxicating liquor within Canada would be prohibited on and after a date to be determined upon further investigation and consideration of the actual conditions of the industry; and

Whereas on the recommendation of the War Committee in order to give full effect to such declaration of policy, and in order to prevent waste, to promote thrift, to conserve resources and to increase national efficiency, certain Orders of His Excellency in Council have been made, prohibiting the importation of intoxicating liquor into Canada, the manufacture of such liquor in Canada, and forbidding the transportation of such liquor into any part of Canada wherein the sale of such liquor is by law prohibited, and the sale of such liquor for delivery in any such part of Canada, and the delivery in any such part of Canada of liquor sold in any other part of Canada; and

Whereas it is expedient to consolidate the said Orders,—

Therefore, His Excellency the Governor General in Council, under and by virtue of the *War Measures Act, 1914*, and all other powers vested in His Excellency in Council, is pleased to make and enact the following regulations, and the same are hereby made and enacted accordingly:—

(2) The provisions of this regulation shall not apply (a) to wine for use in Divine Service; (b) to intoxicating liquor for medicinal purposes; or (c) to intoxicating liquor for manufacturing or commercial purposes other than for the manufacture or use thereof as a beverage; provided that in any such case a special license permitting the importation into Canada of such wine or intoxicating liquor for such purpose has been granted by the Minister of Customs, based upon a formal written evidence of permission, granted by the competent provincial authority to the importer, to possess and use or deal in such wine or intoxicating liquor for such purpose, or if the Government of the province to which such wine or intoxicating liquor is destined has made no provision for such formal procedure, upon other evidence of such purpose satisfactory to the said Minister.

Provided that this regulation shall not apply to the sending, taking, transporting or delivering of native wines in the province of Ontario until the thirtieth day of April, 1919.

(4) No person after the first day of April, 1918, shall either directly or indirectly sell or contract or agree to sell any intoxicating liquor which is in, or which is to be delivered within any prohibited area.

(5) Nothing in this regulation contained shall prevent a licensee or manufacturer from selling, sending, taking or transporting intoxicating liquor to a licensee in any prohibited area, or prevent a common carrier by water or by railway, from transporting or carrying intoxicating liquor from any licensee or manufacturer to a licensee in a prohibited area, or prevent any intoxicating liquor from being so carried through a prohibited area, nor prevent a licensee in a prohibited area from selling and delivering intoxicating liquor for sacramental, industrial, artistic, mechanical, scientific and medicinal purposes, in accordance with the terms of his license.

(7) The carriage of intoxicating liquor from a licensee or manufacturer to a licensee in a prohibited area, and carriage through any prohibited area shall be only by means of a common carrier by water or by railway, and not otherwise.

(8) During the time any intoxicating liquor is being transported or carried into or through, a prohibited area as aforesaid, no person shall open, or break, or allow to be opened or broken, any package or vessel containing it, or drink, or use, or allow to be drunk or used, any intoxicating liquor therefrom.

4. (1) The burden of proving the right to import, make or manufacture intoxicating liquor, or cause intoxicating liquor to be imported, made or manufactured, or to send, carry or deliver

intoxicating liquor, or cause intoxicating liquor to be sent, carried or delivered into or in a prohibited area, shall be on the person accused.

(2) Every person who violates any of the provisions of these regulations shall be guilty of an offence, and shall be liable on summary conviction to a penalty for the first offence of not less than \$200 and not more than \$1,000 and in default of immediate payment, to imprisonment for not less than three, nor more than six months, and for a second offence to imprisonment for not less than six months nor more than twelve months.

After the first day of May, 1918, the Yukon Territory shall be a prohibited area within the meaning of these regulations, provided that any intoxicating liquor actually shipped before the first day of May, 1918, may be delivered in the Yukon Territory by a common carrier within such period of time as is required for such delivery, under the ordinary and usual conditions governing the business of such common carrier, but not later than the first day of June, 1918; provided further that nothing in these regulations shall prevent the sale or other disposal within the Yukon Territory of intoxicating liquor by any person under a license issued under the authority of any ordinance of the Governor in Council relating to the Yukon Territory.

6. These regulations shall be construed as supplementary to the prohibitory laws now in force, or that may be hereafter in force in any province or territory, and shall continue in force during the continuance of the present war, and for twelve months thereafter.

7. The following Orders in Council and the regulations by them enacted are hereby repealed and rescinded:—

P.C. 3473, dated December 22, 1917; P.C. 3484, dated December 26, 1917; P.C. 134, dated January 19, 1918; P.C. 224, dated January 26, 1918; P.C. 589, dated March 11, 1918; P.C. 733, dated March 22, 1918; P.C. 830, dated April 8, 1918; P.C. 1096, dated May 7, 1918; P.C. 1418, dated June 10, 1918; P.C. 3209, dated December 31, 1918.

8. The provisions of sections six and seven of an Act respecting the Revised Statutes, 1906, 6-7 Ed. Vide Canada Gazette, vol. lii, p. 2660.

P.C. 805—April 12, 1919—Whereas the President of the Privy Council reports that subsection 3 of section 4 of the Order in Council of the 24th February, 1919 (P.C. 413), whilst authorizing any of the judicial officers therein mentioned, on information proved upon oath, to issue a warrant requiring any intoxicating liquor imported, manufactured, or dealt with contrary to any of the provisions of the regulations to be seized and brought before him, provides for the forfeiture of such liquor to the Crown, only in the event of a person being convicted of an offence against the regulations in respect of such liquor. That the result of this condition is that where intoxicating liquor has been seized and brought before judicial officers in execution of warrants issued in pursuance of the provisions above mentioned, but no person has been convicted of an offence against the regulations in respect of such liquor by reason of the absence of information as to the identity of the consignor or consignee of such liquor, the presiding judicial officer or officers have been powerless to make any order or direction or declaration for the disposition of such liquor; and the Minister is informed that large quantities of intoxicating liquor which could not be condemned as forfeited to the Crown, on account of the defect in the regulations above described, are presently

held by local authorities pending direction by competent authority as to the disposition to be made of the same;

Therefore, with a view to providing by the regulations for the forfeiture to the Crown of intoxicating liquor seized and held as aforesaid, and also for the disposition of all quantities of liquor forfeited to the Crown under the provisions of the regulations, His Excellency the Governor General in Council, under and in virtue of the powers conferred upon His Excellency in Council by the *War Measures Act, 1914*, or otherwise existing in that behalf, is pleased to make the following regulations, and the same are hereby made and enacted accordingly:—

1. The regulations established by Order in Council of 24th February, 1919 (P.C. 413), with relation to the manufacture, importation and interprovincial shipment of intoxicating liquors within the Dominion of Canada are hereby amended as follows:—

Section 4 is amended by adding thereto the following subsection:—

(4) (a) If in the case of any intoxicating liquor which is seized and brought before any judicial officer or officers in pursuance of the provision of the next preceding subsection, the consignor or consignee or the owner thereof, or the person entitled thereto or claiming the same, cannot be ascertained, and no person establishes a claim to the possession of such intoxicating liquor within a period of fifteen days after the seizure thereof as aforesaid, or within such extended time as the judicial officer or officers may allow, or as may otherwise be allowed by any competent tribunal, then the judicial officer or officers who issued the warrant in execution of which such intoxicating liquor was seized, or, in the case of the death, absence or inability to act of such judicial officer or officers, any other judicial officer or officers having the like jurisdiction, may adjudge and declare such intoxicating liquor, together with all kegs, barrels, cases, boxes, bottles, packages, containers and other receptacles of any kind whatever found containing the same, to be forfeited to the Crown.

(b) The provisions of this subsection may be invoked for the forfeiture to the Crown of any intoxicating liquor, together with the receptacles of whatever description found containing the same, which heretofore has been seized and brought before any judicial officer or officers in pursuance of subsection 3 of this section, but which, in the absence of a conviction of any person for an offence in respect of such intoxicating liquor, could not be forfeited as aforesaid, and is presently held subject to such judicial officer's or officers' direction; provided that the powers conferred by this subsection shall not in any case be exercised before the expiry of fifteen days after the publication of these regulations in the *Canada Gazette*.

(5) As soon as any intoxicating liquor and the receptacles containing the same are forfeited to the Crown, the judicial officer or officers by whom such forfeiture is adjudged and declared, shall immediately transmit to the Minister of Customs and Inland Revenue a notice, in writing, specifying the quantities and descriptions of the intoxicating liquor so forfeited, and shall order that such intoxicating liquor shall immediately be deposited in a customs bonding warehouse within the province wherein such intoxicating liquor is forfeited as aforesaid, to be disposed of as the Minister of Customs and Inland Revenue may direct.

Enemy Debts Committee.

P.C. 2785—November 11, 1918—The Committee of the Privy Council have had before them a report, dated 7th November, 1918, from the Secretary of State, representing that the Enemy Debts Committee, established by the Treasury of the United Kingdom on the 13th of November, 1916, has by its preliminary report dated the 4th of April, 1917, and reiterated in a further report dated the 23rd of January, 1918, recommended as follows:

(1) By agreement between the belligerent governments, embodied in the treaty of peace, an arrangement should be made for the settlement by the intervention of the governments of all the indebtedness arising out of commercial, banking and financial transactions which were not completed owing to the outbreak of war. The principle of such a scheme would be that each government should be responsible for collecting the sums ascertained to be due from its own nationals, and would pay the sums ascertained to be due to its nationals the balance being settled between governments.

(2) The agreement should cover other matters, incidental to the settlement on which at present we do not make detailed recommendations. All settlement of indebtedness otherwise than through the agency thus provided by the governments should be prohibited.

(3) The existing prohibitions of payments to enemies and of the restoration of enemy property should be maintained until a satisfactory arrangement has been concluded, including adequate assurance, in the form of tangible security or otherwise, for its execution.

(4) The scheme to be adopted should apply to the British Empire as a whole, and should if possible be concerted with our Allies.

These reports state that there are serious objections to leaving creditors to recover their debts to recourse to the courts of an enemy country, and that enemy debtors would be in a position to use the settlement of their debts as a means of bringing pressure to bear upon creditors to resume commercial relations. It was recommended that immediate steps should be taken to consult the Governments of the Dominions, of India, and of the other portions of the Empire, with the object of obtaining their concurrence in the proposals of the committee. The report further shows that no statement of enemy indebtedness to and claims against Canadians has been submitted, although a request therefor was made, and though similar statements have been received from all other parts of His Majesty's Dominions.

The Minister states that the Consolidated Orders respecting trading with the Enemy, 1916, are administered by the Department of the Secretary of State in so far as investigations of enemy trading and all enemy property are concerned, and that under these Orders the Minister of Finance and Receiver General is the Custodian receiving all payments which, but for the war, would have been made to persons who are now alien enemies, and that to some extent the divided administration of the Orders has prevented such action from being taken in Canada as that taken and reported upon by the Enemy Debts Committee in the United Kingdom.

The Minister, therefore, recommends that a committee be appointed consisting of the Secretary of State of Canada, the Under Secretary of State, an officer of the Department of Finance named by the Minister of Finance, and an officer of the Department of Justice named by the Minister of Justice, for the following purposes:—

To consider and report on the arrangements to be adopted for the liquidation of the commercial, banking and other financial transactions between Canadian and enemy persons the completion of which was prevented by the outbreak of the war;

To consider the reports of the Enemy Debts Committee of the United Kingdom and to report upon the feasibility of action in Canada similar to that recommended by the said committee;

To consider and report upon such steps as may be necessary in Canada to carry on an investigation of claims owing by alien enemies to Canadians and of alien enemy claims against Canadians, for the purpose of taking uniform action in the matter, if the report of the Enemy Debts Committee is acted upon;

To consider and recommend such action as may be necessary to correlate the administration of the government departments in administering the consolidated orders respecting trading with the enemy, and

To take such action as may be considered advisable and necessary to vest in the custodian enemy debts as provided by the aforesaid orders.

Vide Canada Gazette, vol. lii, p. 1977.

Trading with the Enemy Orders.

P.C. 593—March 19, 1919—Whereas the Secretary of State reports that the Enemy Debts Committee, appointed by Order in Council dated the 11th November, 1918, for the purpose of considering certain matters therein referred to, has had under consideration the subject of the resumption of payment to, and commercial intercourse with, persons residing or carrying on business in those parts of Belgium, France and Luxembourg formerly occupied by the enemy, and the said committee recommend that there should be no further restriction of the payment of moneys to persons in such territory or upon dealings by such persons with their property in Canada;

That the said Enemy Debts Committee has further had under consideration the provisions of the Consolidated Orders respecting trading with the enemy in so far as they relate to the powers conferred upon the Secretary of State, to order a company being wound up, and the said committee report that such powers are limited so as to hinder appropriate action in certain cases,—

Therefore, His Excellency the Governor General in Council is pleased to order and it is hereby ordered that the Consolidated Orders respecting Trading with the Enemy, 1916, shall be and the same are hereby amended by inserting therein the following, as Order 39A:—

39A. Notwithstanding anything in these orders, where territory of France, Belgium or Luxembourg formerly occupied by a state or sovereign at war with His Majesty, has ceased to be so occupied,

(a) Every one may trade and deal with persons residing or carrying on business in such territory, and may pay money to or for the benefit of such persons, and may deal with property real or personal (including any rights, whether legal or equitable, in or arising out of property, real or personal), belonging to or held or managed for or on behalf of such persons or in which such persons are interested, in all respects as though such persons had never been enemies or treated as enemies.

Provided, however, that no debt which was due when such occupation began or which has since become due on account of dealings had before such occupation began, shall be paid to any such person without the written permission of the custodian.

(b) The custodian may pay or transfer to or to the order of any person residing or carrying on business in such territory any money paid to the custodian which, but for such occupation would have been payable or paid to such person, and any property real or personal (including any rights, whether legal or equitable, in or arising out of property, real or personal), belonging to such person or in which such person is interested which has become vested in the custodian pursuant to these Orders.

Nothing in this Order shall affect any rights or liabilities arising from any prohibition by statute, proclamation, these orders and regulations or the common law against trading or dealing during such occupation with persons residing or carrying on business in such territory during such occupation.

And His Excellency in Council is further pleased to order that paragraph 1 of the 17th Order of the Consolidated Orders respecting Trading with the Enemy, 1916, shall be and the same is hereby amended by striking out the word "mainly" and substituting therefor the words "in part," so that the said Order shall read as follows:—

17. (1) Where it appears to the Secretary of State that the business carried on within Canada by any person, firm or company is, by reason of the enemy nationality or enemy association of that person, firm or company, or of the members of that firm or company, or any of them, or otherwise carried on wholly or *in part* for the benefit of or under the control of enemy subjects, the Secretary of State shall, unless for any special reason it appears to him inexpedient to do so, make an order either—

- (a) prohibiting the person, firm or company from carrying on the business, except for the purposes and subject to the conditions, if any, specified in the order; or
- (b) requiring the business to be wound up.

Vide Canada Gazette, vol. lii, p. 2935.

Proclamation—March 29, 1919—Whereas by Our Proclamation (Imperial) dated the 9th day of September, 1914, called the Trading with the Enemy Proclamation No. 2, certain prohibitions therein specified and set forth as regards trading or having commercial or financial transactions with persons resident or carrying on business in the German Empire or Austria-Hungary were imposed upon persons resident, carrying on business or being in Our Dominions, and it was therein provided that nothing in such Proclamation should be taken to prohibit anything which should be expressly permitted by Our license;

And whereas by the terms of the Armistice agreed upon between the Associated Governments and the German Empire the territory of Alsace-Lorraine, part of the German territory, is now in the occupation of the armies of the Associated Governments, and it is expedient to allow trade and commercial and financial transactions with persons resident or carrying on business in the said territory of Alsace-Lorraine;

And whereas by Our said Proclamation authority was given to allow trade and commercial and financial transactions with persons resident or carrying on business in the said territory of Alsace-Lorraine upon such conditions as in such proclamation appears,—

Now therefore We by and with the advice of Our Privy Council for Canada give and grant full license and authority unto and do hereby permit all persons resident, carrying on business or being in Our Dominion of Canada to trade and have commercial and financial transactions with any person resident or carrying on business in the territory of Alsace-Lorraine (other than and except any persons with whom the President of the French Republic shall order persons resident in France not to trade or have commercial or financial transactions) in as full and ample a manner as if the said territory did not form part of the German Empire, but formed part of the territory of the Republic of France;

Provided always that any license which may be necessary in respect of any transactions under any prohibition of export or prohibition of import for the time being in force in Our Dominion of Canada, is first obtained;

Provided also that the license hereby given shall not permit any person to pay to or for the benefit of any person resident or carrying on business in the said territory any sum of money which by the terms of the Consolidated Orders respecting Trading With the Enemy, 1916, is required to be paid and should still be paid to the custodian thereunder;

Provided also that the license hereby given shall not permit any person to pay or deliver to or on behalf of any person resident or carrying on business in the said territory any sum of money or property of which by the terms of the said Consolidated Orders respecting Trading with the Enemy, 1916, notice has been or ought to have been given prior to the date hereof.

Proclamation—April 2, 1919—Whereas by Our Proclamation (Imperial) dated the 9th day of September, 1914, called the Trading with the Enemy Proclamation No. 2 certain prohibitions therein specified and set forth as regard trading or having commercial or financial transactions with persons resident or carrying on business in the German Empire or Austria-Hungary were imposed upon persons resident, carrying on business or being in Our Dominions, and it was therein provided that nothing in such Proclamation should be taken to prohibit anything which should be expressly permitted by Our license;

And whereas by the terms of the Armistice agreed upon between the Kingdom of Italy and Austria-Hungary certain territories of Austria-Hungary are now in the occupation of the armies of the Associated Governments, and it is expedient to allow trade and commercial and financial transactions with persons resident or carrying on business in the said territories occupied as aforesaid;

And whereas by Our said Proclamation authority was given to allow trade and commercial and financial transactions with persons resident or carrying on business in the said territories upon such conditions as in such Proclamation appears,—

Now therefore We by and with the advice of Our Privy Council for Canada give and grant full license and authority unto, and do hereby permit, all persons resident, carrying on business or being in Our Dominion of Canada to trade and have commercial and financial transactions with any person resident or carrying on business in the said territories so occupied as aforesaid in as full and ample a manner as if the said territories so occupied did not form a part of Austria-Hungary but formed a part of the territory belonging to Governments with which Our Government is associated;

Provided always that any license which may be necessary in respect of any transactions under any prohibition of export or prohibition of import for the time being in force in the Dominion of Canada, is first obtained;

Provided also that the license hereby given shall not permit any person to pay to or for the benefit of any person resident or carrying on business in the said territories so occupied as aforesaid any sum of money which by the terms of the Consolidated Orders respecting Trading with the Enemy, 1916, is required to be paid and should still be paid to the custodian thereunder;

Provided also that the license hereby given shall not permit any person to pay or deliver to or on behalf of any person resident or carrying on business in the said territories any sum of money or property of which by the terms of the said Consolidated Orders respecting Trading with the Enemy, 1916, notice has been or ought to have been given prior to the date hereof.

P.C. 2381—September 25, 1918—His Excellency the Governor General in Council is pleased, under and in virtue of the powers conferred by the *War Measures Act, 1914*, or otherwise vested in the Governor General in Council, to make the following regulations and the same are hereby made and enacted accordingly:—

1. These regulations may be cited as the Order respecting Enemy publications.

2. In and for the purposes of this order:—

- (a) "publication" means any book, newspaper, magazine, periodical, pamphlet, tract, circular, leaflet, handbill, poster or other printed matter;
- (b) "enemy language" means the language of any country or people for the time being at war with Great Britain or any of her Allies or the language of any country (not belonging to Great Britain or any of her Allies) in whole or in part in occupation or under the control of the armed forces of any State or Sovereign for the time being at war with Great Britain or any of her Allies, and without restricting the generality of the foregoing terms, includes specifically the following languages: German, Austrian, Hungarian, Bulgarian, Turkish, Roumanian, Russian, Ukrainian, Finnish, Estonian, Syrian, Croatian, Ruthenian and Livonian;

For the purpose of the foregoing definition, the certificate of the Secretary of State of Canada that the territory of any country (not belonging to Great Britain or any of her Allies) is in whole or in part in occupation or under the control of the armed forces of a State or Sovereign for the time being at war with Great Britain or any of her Allies shall be deemed to be conclusive evidence of the fact.

- (c) "objectionable matter" shall be construed to extend and include the same matters and things as the expression extends to and includes under Order II, clause 1, exclusive of paragraph (m) thereof, of the Consolidated Orders respecting Censorship, dated May 21, 1918, which shall extend, apply, be construed and have effect with reference to this order as if it had been enacted as part thereof.

- (d) "person" shall extend to and include any body of persons, corporate or unincorporate.

3. (1) Any person who, unless thereunto duly licensed by the Secretary of State, imports or brings into Canada, or after the 1st October, 1918, prints, publishes, posts, delivers, receives or has in his possession or on premises in his occupation or under his control within Canada, any publication in an enemy language shall be guilty of an offence and liable to a fine not exceeding \$5,000 or to imprisonment not exceeding five years, or to both such fine and imprisonment, recoverable or enforceable either by indictment or by summary proceedings and conviction under the provisions of Part XV of the *Criminal Code*: Provided, however, that it shall be no offence under this section for any person to import or bring into Canada, or to print, publish, post, deliver, receive or have in his possession or on premises in his occupation or under his control within Canada any publication in an enemy language which is merely of a literary, scientific, religious or artistic character and does not contain any objectionable matter, or which under the authority of the law of any province, is prescribed in the curriculum of, or forms part of a course of instruction in, any university, college, seminary, academy, school or other institution for education or for training in any vocation, but any such publication shall nevertheless be subject to the powers of the Secretary of State of Canada under this order.

(2) If in any prosecution for an offence under this section the person charged claims the benefit of the foregoing proviso the certificate of the Secretary of State of Canada that any publication in any enemy language is not of a literary, scientific, religious or artistic character, or that it contains objectionable matter shall be deemed to be conclusive evidence of the fact.

4. In any prosecution or proceedings brought, had or taken, under this order by or on behalf, or by direction or under the authority of the Attorney General of Canada or of the Attorney General of a province, all matters alleged in the information, charge or indictment shall be without proof rebuttably presumed to be true.

5. (1) The Postmaster General, or any one authorized by him, may, for the purpose of preventing the importation or the circulation or distribution of any publication in an enemy language in contravention of this order, open, examine and ascertain the contents of any newspaper, periodical, letter, circular, pamphlet, parcel or package which may be passing through the post or dealt with in any manner in the mails of Canada; and the like power is hereby conferred upon the Minister of Customs in relation to goods passing through the Customs of Canada.

(2) Any publication in any enemy language found in the mails or Customs of Canada in contravention of this order, shall be seized and held subject to the direction of the Secretary of State of Canada who may order the publication so seized to be destroyed or otherwise disposed of.

6. (1) The Secretary of State may, if he has reason to suspect that any land, building, or place, vehicle, receptacle, or other thing or anything therein or connected therewith has been or is being or is about to be used, constructed, or kept for the purpose of importing into Canada or printing, publishing, storing, delivering or distributing within Canada, any publication in an enemy language, in contravention of this order, or that there is in, on or about the same any publication in an enemy language imported or printed, published, issued, posted, delivered, received or possessed in contravention of this order, issue his warrant to any peace officer or constable directing him to enter, if need be by force, such land, building, or place, vehicle, receptacle, or other thing, at any time of the day or night, and examine and search and inspect the same or any part thereof, and to seize anything found therein or in or about the same or therewith connected, which he has reason to suspect has been or is being used or is intended to be used for any of the purposes aforesaid, including any type or other plant used or capable of being used for the printing or production of any such publication, and all copies of any such publication, or the printer's written copy thereof, and to close the premises used for any of the purposes aforesaid; and the Secretary of State may order anything so seized to be destroyed or otherwise disposed of, and the premises so closed to remain closed for such period as he may direct.

2. Any peace officer, police or constable, so authorized as in this or the next following section provided, may require the assistance of such persons and make use of such force as he may deem necessary for the execution of such warrant.

7. (1) Any judge of a Superior or County Court, or any police or stipendiary magistrate who is satisfied by information in writing upon oath that there is reasonable ground for believing that any land, building, or place, vehicle, receptacle or other thing, has been or is being or is about to be used, constructed or kept for the purpose of importing into Canada or printing, publishing, storing, delivering or distributing within Canada, any publication in an enemy language in contravention of this order, or that there is in, on or about the same any publication in an enemy language imported or printed, published, issued, posted, delivered, received or possessed in contravention of this order, may at any time issue a warrant under his hand, authorizing any constable or other person named therein to enter, if need be by force, such land, building, or place, vehicle, receptacle or other thing; at any time of the day or night, and to examine, search and inspect the same or any part thereof, and to seize and carry before the judge or magistrate issuing the warrant or a justice of the peace for the same territorial division, anything found therein which he has reason to suspect has been or is being used or is intended to be used for any of the purposes aforesaid, including any type or other plant used or capable of being used for printing or production of such publication, and all copies of any such publication.

(2) The judge, magistrate or justice before whom any publication in an enemy language, article or thing so seized is brought, may issue a summons requiring the owner to show cause why such publication, article or thing should not be destroyed, and if the owner does not appear in obedience to the summons, or if upon appearance, he does not satisfy the judge, magistrate or justice that such article or thing had not been used or was not being or intended to be used for any of the purposes in this section hereinbefore mentioned, or that such publication was not imported into Canada, or printed, published, issued, posted, delivered, received or possessed in contravention of this order, the judge, magistrate or justice may order them to be destroyed or otherwise disposed of, and in any other case shall order them to be restored on the expiration of seven clear days to the owner.

(3) For the purposes of this section a summons shall be deemed to be duly served if addressed to the owner of the property seized without further name or description and left at or sent by registered post to the premises on which the property was seized.

(4) If the prosecutor or complainant or any person who has appeared to show cause upon any such summons as aforesaid feels aggrieved by an order made in pursuance of this section, he may have the same remedy by way of appeal as he would have if the the proceedings under this section were brought or taken under Part XV of the *Criminal Code*.

Vide Canada Gazette, vol. lii, p. 1277.

P.C. 703—April 2, 1919—Whereas the Acting Minister of Justice reports that he has had under consideration the advisability of modifying the regulations established by Order in Council of 25th September, 1918, (P.C. 2381), and its amending orders, entitled “The Order respecting Enemy Publications.” That Canada having ceased to be actively engaged in war, the Minister is disposed to think that the definition of “enemy language” in the order above mentioned may, compatibly with the due safeguard of the public interests, be modified so as to relieve publications in the foreign languages embraced by such definition, other than publications in the German, Bulgarian and Turkish languages, from the special prohibitory provisions enacted by such Order, subject, however, to a provision enjoining the delivery to the Chief Press Censor, for the purpose of censorship, of a copy of every publication in any language other than the English or French printed or published in Canada or imported or brought into Canada. That any such publication, so delivered, which is found to contain “objectionable matter” within the scope of the definition of this term contained in the Consolidated Orders respecting Censorship, may be appropriately dealt with under the regulations established by that Order; Therefore His Excellency the Governor General in Council, under and in virtue of the powers conferred by the *War Measures Act, 1914*, or otherwise existing in that behalf, is pleased to make the following regulations, and the same are hereby made and enacted accordingly:—

1. The regulations established by Order in Council of the 25th September, 1918, (P.C. 2381) as amended by Order in Council of the 15th October, 1918 (P.C. 2521), and by Order in Council of the 13th November, 1918 (P.C. 2693), entitled Order respecting Enemy Publications are hereby amended as follows:—

Section 2 is repealed, and the following substituted therefor:—

- (a) “Publication” means any book, newspaper, magazine, periodical, pamphlet, tract, circular, leaflet, handbill, poster or other printed matter;
- (b) “Enemy language” means the German, Bulgarian, Turkish or Hungarian language;
- (c) “Foreign language” means any language other than English or French;
- (d) “Objectionable matter” shall be construed to extend to and include the same matters and things as the expression extends to and includes under Order II, Clause 1, exclusive of paragraph (m) thereof, of the Consolidated Orders respecting Censorship, dated May 21, 1918, which shall extend, apply, be construed and have effect with reference to this Order, as if it had been enacted as part thereof;
- (e) “Person” shall extend to and include any body of persons, corporate or unincorporate.

Subsection 1 of section 3, as amended by the Order in Council, of 15th October 1918, is repealed and the following substituted therefor:—

3. (1) Any person who, unless thereunto duly licensed by the Secretary of State, imports or brings into Canada, or after the 1st October, 1918, prints, publishes, posts, delivers, receives or has in his possession or on premises in his occupation or under his control within Canada, any publication in an enemy language, shall be guilty of an offence and liable to a fine not exceeding \$1,000, or to imprisonment not exceeding two years, or to both such fine and imprisonment, recoverable or enforceable either by indictment or by summary proceedings and conviction under the provisions of Part XV of the *Criminal Code*; provided, however, that it shall be no offence under this section for any person to import or bring into Canada, or to print, publish, post, deliver, receive or have in his possession or on premises in his occupation or under his control within Canada, any publication in an enemy language (not being newspaper), which is merely of a literary, scientific, legal, religious or artistic character, and does not contain any objectionable matter, or which under the authority of any province is prescribed in the curriculum of or forms part of the course of instruction in any university, college, seminary, academy, school or vocation; but any such publication shall, nevertheless, be subject to the powers of the Secretary of State of Canada under this order.

Section 3 is amended by the addition thereto of the following subsection:

3. (4) Every person who prints or publishes, within Canada, or who imports or brings into Canada for sale or distribution, any publication in a foreign language a true copy whereof has not been delivered to the Chief Press Censor, shall immediately after such publication is printed or published or brought into Canada, deliver a true copy thereof to the Chief Press Censor at Ottawa for his consideration; and the Chief Press Censor may, as to any such publication, a true copy of which has not been delivered to him within a reasonable time (measured by considerations of distance and the available facilities for making delivery), after the printing or publication within Canada, or the importation into Canada, of such publication, by order under his hand published in the *Canada Gazette*, and subject

to revocation in like manner, prohibit the printing, publication, importation, delivery, receiving, posting, distribution, or possession of such publication within Canada, and so long as any such prohibition by the Chief Press Censor is in force, any such publication so prohibited, and any person who imports or brings into Canada, or prints, publishes, posts, delivers, receives, or has in his possession or in premises under his occupation or under his control within Canada, any such publication so prohibited, shall be deemed to be subject to all the provisions of this Order, as if the publications so prohibited had been printed in an enemy language; and the person responsible for the omission to deliver any publication in a foreign language so prohibited to the Chief Press Censor, shall be guilty of an offence and liable to a fine not exceeding \$1,000, or to imprisonment not exceeding two years, or to both such fine and imprisonment, recoverable or enforceable either by indictment or summary proceedings and conviction under the provision of Part XV of the *Criminal Code*.

P.C. 3070—December 21, 1918—Whereas the Special Committee appointed to consider and report upon the Pension Board, the pension regulations and the sufficiency or otherwise of the relief afforded thereunder, the pension lists in force in Canada for disabled and other soldiers and the dependents of those killed while on active service and any other matters relating thereto or connected therewith, presented their third and final report to Parliament on the 20th day of May, 1918, which report contained recommendations with regard to the administration of pensions and to amendments in the Pension Regulations which it was considered were necessary to be made;

And whereas it is deemed expedient to make the legislative changes in the pension regulations which were recommended by the Special Parliamentary Committee,—

Therefore, His Excellency the Governor General in Council is pleased to approve and doth hereby approve of amendments and additions to the Pension Regulations as follows:—

1. That in accordance with recommendations Nos. 3 and 4 of the report of the said Parliamentary Committee the following sentences be added to section 1 of Order in Council P.C. 1334 of June 3rd, 1916:

The Commissioners shall devote the whole of their time to the performance of their duties. The approval of the commission to the award of any pension shall be evidenced by the personal signature of at least one of the commissioners.

2. That in accordance with recommendation No. 9 of the report of the said Parliamentary Committee the following section be added, to be known as section 7a to Order in Council P.C. 1334 of June 3, 1916:

7a. No deduction shall be made from the pension of any member of the forces who has served in a theatre of actual war other than the United Kingdom on account of any disability or disabling condition existing prior to enlistment provided that the pre-enlistment disability or disabling condition had not been wilfully concealed by the said member of the forces or was not obviously apparent in the said member of the forces at the time of enlistment. The words "theatre of actual war" as used in this section and in section 7b shall mean any country in which Canadian Naval or Military forces are in contact with the enemy on land or in the case of Naval forces any navigable water.

3. That in accordance with recommendation No. 10 of the report of the said Parliamentary Committee following section be added, to be known as section 7b to Order in Council P.C. 1334 of June 3rd, 1916:

7b. A pension shall be awarded for disability in accordance with the rank or acting rank of the member of the forces at the time the disability was incurred. No variation in rank after such disability was incurred shall affect any pension. The word "disability" as used in this section means such a disability as unfits a member of the forces for service in a theatre of actual war other than the United Kingdom. Any award heretofore made shall be reviewed and determined for the purpose of future payments in accordance with the provisions of this section.

4. That in accordance with recommendation No. 11 of the report of the said Parliamentary Committee the following section be added, to be known as section 9a to Order in Council P.C. 1334 of June 3rd, 1916:

9a. A pension shall be discontinued upon the re-enlistment of a pensioner as a member of the forces in the Expeditionary or Naval Forces. His case, upon re-discharge, shall be considered anew as if his service had been continuous from his first enlistment, provided, however, that after re-discharge no pension shall be awarded in respect of any disability which is not the result of service incurred while the member of the forces was in civil life.

5. That partially in accordance with recommendation No. 12 of the report of the said Parliamentary Committee the following section be added, to be known as section 9b to Order in Council P.C. 1334 of June 3rd, 1916:

9b. If a member of the force should undergo medical or surgical treatment in a sanitarium, hospital, convalescent home or otherwise for any purpose, for the period during which such treatment is necessary and in his interest, and the said member of the forces unreasonably refuses to undergo such treatment, the pension awarded or to be awarded may be reduced or discontinued in the discretion of the commission.

Vide Canada Gazette, vol. lii, p. 1876.

P.C. 702—April 2, 1919—Whereas the Acting Minister of Justice reports that he has had under consideration the advisability of recommending the repeal of the regulations established by Order in Council of the 25th September, 1918, (P.C. 2384), and its amending orders with relation to unlawful associations, publications and other matters as therein provided. It appears that these regulations were designed to emphasize, during the period of war, the criminal character of the several matters against which they are in terms directed, rather than to supply sanctions for cases for which the existing law made no provisions; and now that Canada is no longer actively engaged in the war, the Minister apprehends that persons who might be offenders against the regulations, were they permitted to endure, may be adequately dealt with under the existing law,—

Therefore His Excellency the Governor General in Council, under and in virtue of the powers conferred by the *War Measures Act, 1914*, or otherwise existing in that behalf, is pleased to make the following regulations, and the same are hereby made and enacted accordingly:—

1. The regulations established by Order in Council of 25th September, 1918 (P.C. 2384), as amended by Orders in Council of 13th November, 1918 (P.C. 2786) and 11th January, 1919 (P.C. 56), are hereby repealed: provided that the repeal of the regulations aforesaid shall not be deemed to affect any offence committed against such regulations or any penalty or forfeiture or punishment incurred in respect of any such offence or any investigation, legal proceeding, or remedy in respect of any such penalty, forfeiture, or punishment as aforesaid, and any such investigation, legal proceeding or remedy may be instituted, continued, or enforced, and any such penalty, forfeiture or punishment may be recovered, exacted or imposed, as if the regulations aforesaid had not been repealed.

Vide Canada Gazette, vol. lii, p. 3093.

P.C. 56—January 11, 1919—His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Justice, and under the powers conferred on the Governor in Council by the *War Measures Act, 1914*, or otherwise existing in that behalf is pleased to make the following regulations and the same are hereby made and established accordingly:—

1. The regulations approved by Order in Council of 25th September, 1918, as amended by Orders in Council of 7th and 13th November, 1918, with relation to unlawful associations, publications and other matters as therein provided, are amended as follows:

(a) No conviction for any offence against the aforesaid regulations or any regulation amending the same shall be had unless the prosecution has been assented to or approved by the Attorney General of the Province in which the offence is alleged to have been committed;

(b) Except as to any prosecution now pending, the punishments and penalties provided by the aforesaid regulations shall hereafter be enforced or recovered by indictment in the manner prescribed by the *Criminal Code* for indictable offences, provided that the jurisdiction of a magistrate under Part XVI of the *Criminal Code* respecting summary trial of indictable offences shall, with the consent of the accused, extend to any offence against these regulations, and the magistrate may, subject to the provisions of the said Part XVI, and according to the procedure thereby prescribed, hear and determine the charge in a summary way.

Any naval officer whom the senior naval officer of the port may appoint for the purpose, may board any vessel entering the port to inspect the means provided for the screening and shading of lights as this Order requires. The master of such vessel shall give facilities for such inspection, and shall, if the inspecting officer so requires sign a certificate to the effect that adequate means of screening lights are provided on board.

2. *Navigation Lights* must be dimmed to a visibility not exceeding two miles.

Subject to any directions given under Paragraph 8 hereof, they are only to be exhibited (a) for avoiding collision, in which case they are to be extinguished as soon as the danger of collision has passed (b) when exceptional circumstances make their use absolutely necessary.

They must be so arranged that they can be instantly shown when required to be exhibited.

4. *Side Lights*.—No side light of a brilliancy exceeding 8-candle power at its source shall be exhibited. Dioptric lenses and reflectors are to be removed from the lanterns and the lights are to be shaded with plain coloured glass.

Ships with electric lamps are to carry 5-candle power bulbs for use when especially ordered. Oil side lamps are only to be exhibited if electric lights are not available.

5. *Stern Lights*.—No stern light of a brilliancy exceeding $2\frac{1}{2}$ candle power at its source shall be exhibited. Dioptric lenses and reflectors are to be removed from the lanterns, and lights are to be shaded with plain opal glass.

In vessels where electric light is not installed, an oil lamp or electric torch of equivalent brilliancy may be substituted.

In waters other than those last mentioned, the senior naval officer present on board any of H. M. ships or any naval officer appointed for the purpose may give directions either general or special for the exhibition of any lights he may require to be shown.

10. The owner of every vessel shall provide for fitting and maintaining on board the vessel the equipment of lights prescribed hereby, including adequate means of controlling, shading and screening navigation and anchor lights and all other lights on board which require to be screened to enable the vessel to be thoroughly darkened, and if any owner fails so to provide he shall be guilty of an offence against the Defence of Canada Order.

Better Housing Accommodation.

P.C. 2997—December 3, 1918—The Committee of the Privy Council have had before them a report, dated 2nd December, 1918, from the Minister of Finance submitting that at the conference recently held at Ottawa, between the premiers and other members of the Governments of the several provinces and representatives of the Dominion Government, one of the important subjects of discussion was that of creating better housing conditions for the industrial population of our larger centres.

The Minister observes that owing to the practical cessation of building operations during the war there is at present a great scarcity of housing accommodation in most of our cities, and this condition will become intensified with the return of our soldiers from overseas and their re-establishment with their families in civil life and occupation.

The Minister states that at the conference it developed that some of the Provincial Governments were considering the adoption of a policy of making loans to municipalities or otherwise, extending over a long period of years and repayable upon the amortization plan, for the purpose of promoting the erection of dwelling houses of a modern character to relieve congestion of population in cities and towns in their respective provinces, and the question was raised as to whether the Dominion Government would aid the several Provincial Government in carrying out such a policy by making loans to them to place them, to the extent that might be necessary, in funds for the purpose.

In view of the national importance of the matter which touches vitally the health, morals and general well being of the entire community and its relation to the welfare of returned soldiers and their families together with the fact that the carrying out of such a policy on a substantial scale by Provincial Governments would afford considerable employment during the period of reconstruction and readjustment of industry following the war, the Minister recommends as follows:

1. That the Minister of Finance be authorized under the provisions of the *War Measures Act* upon request from the Government of any province of Canada to make loans to such Government for the purpose mentioned.

2. That the aggregate amount to be loaned to all provinces shall not exceed twenty-five million dollars and the amount of loan to any one province shall not exceed the proportion of the said twenty-five million dollars which the population of the said province bears to the total population of Canada.

3. That the loans made hereunder may be for a period not exceeding twenty years with the right to any province to pay off the whole or any part of the principal of the loan at any time during the said term.

4. That interest at the rate of five per cent per annum, payable half yearly, shall be charged upon advances from the dates thereof respectively.

5. The Minister of Finance may accept bonds, debentures or such other form of security as he may approve evidencing the indebtedness of any provincial Government for loans made hereunder.

6. Advances shall be made from the war appropriation.

7. Advances may be made as soon as a general scheme of housing shall have been agreed upon between the Government of Canada and the Government of the province applying for a loan hereunder.

The Minister shall have power to investigate the business and to examine the premises, books, papers, and records of any person respecting any necessary of life or rental value of any real estate, and for this purpose the Minister may appoint an examiner or examiners, and may authorize in writing any examiner so appointed to enter and examine the premises, books, records and papers of such person, and to take evidence under oath or affirmation of any person whom such examiner or examiners may believe has knowledge relating to the matters under investigation, and for such purposes the said examiner or examiners shall have the power of a Commissioner appointed under the provisions of Part I of The Inquiries Act.

6. The council of any municipality may appoint a committee of three resident taxpayers thereof to be known as "The Fair Price Inquiry Committee," who shall have power to make a preliminary inquiry into the cost of any necessary of life specified by such council and the price at which such necessary of life is held for sale or is being sold within such municipality.

In every case in which such committee is authorized by such council to inquire into any matter, it may take evidence under oath, and for such purpose shall have the power of a Commissioner appointed under Part I of The Inquiries Act.

Such inquiry shall be held in camera.

Immediately upon the close of the inquiry the Committee shall report to such council, whether in its opinion and in the interest of the public the Council should order an investigation as is hereinafter provided.

7. (1) Upon receipt of the report of the Fair Price Inquiry Committee recommending further investigation the council of such municipality may appoint a commission, composed of three persons, one of whom shall be a Judge of the County or District Court of the county or district in which the municipality is situated, who shall be chairman of the commission, one a representative of labour or of consumers and one a representative of the trade dealing in the necessary of life under investigation, to investigate:—

- (a) The amount of any necessary of life reported on by the Fair Price Inquiry Committee and held by any person for sale or disposition within such municipality.
- (b) The time when any or all of such necessary of life was acquired, produced or brought within or into such municipality.
- (c) The cost of such necessary of life, including all charges of an overhead or other nature affecting such cost.
- (d) The price at which such necessary of life is held in such municipality for sale.

- (e) The price in which, in the opinion of such Commission, would be a just and reasonable one at which to hold such necessary of life for sale within such municipality.
- (f) The amount of wastage or destruction in such municipality of any such necessary of life and the reason for the same.
- (g) The fair rental value of any dwelling within such municipality held or offered for rental.
- (2) For all such purposes the Commission shall have the powers of a Commissioner appointed under the provisions of Part I of *The Inquiries Act*.

8. All lawful expenses incurred by the said Fair Price Inquiry Committee, or by such commission, shall be payable by the municipality.

9. Immediately upon the close of the investigation the said Commission shall report its findings to the Minister and to such council, and shall publish over their signatures in the paper or papers published in the said municipality, or, where there is no such paper, in a paper published at the nearest point thereto, a fair price to the consumers in that municipality of the necessities of life investigated.

10. Whenever, in the opinion of the council, there is evidence disclosing any offence against these regulations, the council may take such proceedings thereunder as they may deem proper, or may have the commission remit the evidence to the Attorney General of the Province within which such offence shall have been committed for such action as such Attorney General may be pleased to institute.

Except in investigations made by such commissions whenever in the opinion of the Minister there is evidence disclosing any offence against these regulations, the Minister shall take such proceedings as he may deem necessary, or shall remit the evidence to the Attorney General of the province within which such offence shall have been committed for such action as such Attorney General shall be pleased to institute.

11. Prosecutions under these regulations shall be commenced only in the county or municipality in which some or all of the necessities of life with respect to which the alleged offence was committed were situated at the time of the commission of the offence, or in the county in which the person charged resides or carries on business.

12. (1) Any person who contravenes or fails to observe any of the provisions of these regulations shall be guilty of an indictable offence and liable upon indictment or upon summary conviction under Part XV of the *Criminal Code* to a penalty not exceeding five thousand dollars, or to imprisonment for a term not exceeding two years, or to both fine and imprisonment as specified; and any director or officer of any company or corporation who assents to or acquiesces in the contravention or non-observance by such company or corporation of any of the provisions of these regulations shall be guilty personally and cumulatively with his company or corporation and with his co-directors or associate officers.

- (2) For the purpose of the trial of and indictment of any offence against these regulations section 581 of the *Criminal Code* authorizing speedy trials without jury shall apply.
- (3) Where the proceedings in any case in which a fine is imposed under the authority of these regulations are instituted at the instance of any municipality or any officer of a municipality the fine shall be paid to the treasurer of such municipality, to be disposed of as the municipality may direct from time to time.

Trade Marks, Industrial Designs and Copyrights.

P.C. 2193—January 6, 1919—His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Trade and Commerce, and under and in virtue of the authority conferred by the *War Measures Act, 1914*, is pleased to make the following regulations respecting trade marks, industrial designs and copyrights, and the same are hereby made and enacted accordingly:—

1. "Minister" means the Minister of Trade and Commerce, and includes the Deputy of the Minister of Trade and Commerce.

2. The Minister may at any time during the continuance of these Orders and regulations extend the time prescribed by *the Trade Mark and Design Act*, or the *Copyright Act*, or any rules made under either of the said Acts, for doing any act or filing any documents upon such terms and subject to such conditions as he may think fit, where it is shown to his satisfaction that the applicant or proprietor, as the case may be, was prevented from doing the said act or filing the said documents by reason of active service or enforced absence from this country, or any other circumstances arising from the present war, which in the opinion of the Minister would justify such extension.

Such extension of any prescribed time, if granted after its expiration, shall have the same effect as if granted prior thereto, provided such expiration occurred on or after the 4th day of August, 1914.

3. The Minister may refuse to register an assignment of any trade mark, industrial design or copyright made by a subject of any state at war with His Majesty, and filed on or after the 4th day of August, 1914, unless he is satisfied that such assignment was made in good faith, and not for the purpose of evading any law or restriction that applies to such person in consequence of such person being an alien enemy.

4. The term "person" used in these Orders and regulations shall, in addition to the meaning given thereto by par. 20 of section 34 of *The Interpretation Act*, include any Government Department.

5. These Orders and regulations shall come into operation as from the 4th day of August, 1914.

Radiotelegraph Stations.

P.C. 888—April 29, 1919—Whereas the Minister of the Naval Service reports as follows:—

That, as a war measure at the outbreak of hostilities, the licenses for all amateur and other non-essential radiotelegraph stations throughout the Dominion were cancelled, and such stations closed, authority for this action being conveyed by section 10 of the Radiotelegraph Act, and by Order in Council of the 2nd August, 1914 (P.C. 2030).

That the technical officers of the Department of the Naval Service now state that the war being, to all intents and purposes, over, those restrictions are no longer necessary, and after consultation with the militia authorities, they further state that there would appear to be no longer any objection to the issue of licenses for the establishment of stations of the above class, subject to the regulations in effect prior to the war and also to the "Consolidated Orders respecting Censorship," issued under section 6 of the *War Measures Act*,—

Therefore His Excellency the Governor General in Council is pleased to order and it is hereby ordered that the Order in Council of the 2nd August, 1914 (P.C. 2030), be cancelled as from 15th April, 1919, and that on and after that date the pre-war regulations with regard to the licensing of radiotelegraph stations in the Dominion of Canada be resumed, the operation of such licensed stations to comply with the Consolidated Orders respecting Censorship until such orders are rescinded.

THE PROVINCIAL GOVERNMENTS.

1. The provincial governments shall have direction of their own employment offices, subject to the terms of the agreement with the Minister of Labour under the *Employment Offices Co-ordination Act*.

2. Each province shall establish a clearing-house to provide for the distribution of labour within the province and to co-operate with the Dominion clearing-house for the interprovincial distribution of labour. The provincial clearing-house shall furnish such reports, as to employment conditions, as the Dominion clearing-house may require.

3. In connection with the employment office administration of each province there shall be an advisory council equally representative of employers and employees, appointed by the Lieutenant Governor in Council. It shall be the duty of the advisory council to safeguard the interest of employers and employees of the province in the distribution of labour; to direct the policy of the local advisory committees and to co-operate with the Dominion Employment Service Council of Canada.

THE EMPLOYMENT OFFICES.

1. The employment offices shall endeavour to fill vacancies in all occupations and shall serve both male and female employees.

2. (b) Copies or summaries of any agreements mutually arranged between associations of employers and workmen for the regulation of wages or other conditions of labour in any trade, may, with the consent of the various parties to such agreements, be filed at an employment office, and any published rule made by public authorities with regard to like matters may also be filed. Documents so filed may be open to inspection on application.

(c) No person shall suffer any disqualification or be otherwise prejudiced on account of refusing to accept employment found for him through an employment office where the ground of refusal is that a trade dispute exists or that the wages offered are lower than those current in the trade in the district where the employment is found.

5. In dealing with strikes and lockouts the employment offices shall observe the following regulations:—

(a) Any employer or association of employers or group or association of workmen may file at an employment office a statement with regard to a strike or lockout existing or threatened, affecting their trade or a branch of their trade, in the district. Any such statement shall be in the form provided for the purpose and shall be signed by a person authorized by the association for that purpose. Such statement shall be confidential except as hereunder provided, and shall only be in force for seven days from the date of filing, but may be renewed within that period for a like period and so on from time to time.

(b) If any employer who appears to be affected by a statement so filed notifies an employment office of a vacancy or vacancies for workmen of the class affected, the officer in charge shall inform him of the statement that has been filed and give him an opportunity of making a written statement thereon. vacancies to any applicant for employment, shall also inform him of the statements that have been received.

Labour Disputes—Board of Appeal.

P.C. 1743—July 11, 1918—The Committee of the Privy Council has had before them a report, dated 9th July, 1918, from the Minister of Labour, representing that industrial unrest during the past few months has become more general than formerly, thus causing serious interruption in some lines of war work, and indications are that it will become more widespread still unless successful efforts be made to check it. This unrest has many causes among which are the shortage of labour, rapid advance in the cost of many of the necessaries of life, employers denying their workman the right to organize or to meet them in joint conference to discuss requests for improved conditions or to negotiate adjustments of differences; and in others from too hasty action on the part of working men in ignoring the provisions of the *Industrial Disputes Investigation Act* and in adopting drastic measures before exhausting every reasonable effort to reach a satisfactory settlement. Wages alleged to be inadequate together with length of the work day said to be too long, are among other frequent causes of such unrest.

The Minister, realizing the necessity of steady work and close and sympathetic co-operation between employers and employees to secure maximum results from war efforts, is of opinion that the Government should forthwith adopt such means as may seem practicable for the prevention of such interruption during the continuance of the war, whether caused by lockouts or strikes, and the establishments of such co-operation, while at the same time striving to ensure to the workmen adequate compensation for their labour and reasonable safeguards for their health and safety, and to employers fair and reasonable treatment.

The Minister is further of opinion that a declaration by the Government of a war labour policy, fair and equitable to all concerned, governing relations between employers and workmen in all industries engaged in war work and including all those mentioned in the *Industrial Disputes Investigation Act* (except railways), and amendments thereto by Parliament or extensions thereof by Order in Council, for the duration of the war, would materially contribute to the attainment of these objects.

The Minister, therefore, recommends that the Governor in Council declare the following principles and policies and urge their adoption upon both employers and workmen for the period of the war.

1. That there should be no strike or lockout during the war.
2. That all employees have the right to organize in trade unions, and this right shall not be denied or interfered with in any manner whatsoever, and through their chosen representatives should be permitted and encouraged to negotiate with employers concerning working conditions, rates of pay, or other grievances.
3. That employers shall have the right to organize in associations of groups, and this right shall not be denied or interfered with by workers in any manner whatsoever.
4. That employers should not discharge or refuse to employ workers merely by reason of membership in trade unions or for legitimate trade union activities outside working hours.
5. That workers in the exercise of their right to organize shall use neither coercion nor intimidation of any kind to influence any person to join their organizations or employers to bargain or deal therewith.
6. That in establishments where the union shop exists by an agreement the same shall continue and the union standards as to wages, hours of labour and other conditions of employment shall be maintained.
7. That in establishments where union and non-union men and women work together, and the employer meets only with employees or representatives engaged in such establishments, the continuance of such conditions shall not be deemed a grievance.

This declaration, however, is not intended in any manner to deny the right, or discourage the practice of forming labour unions, or the joining of the same by workers in said establishments as aforesaid, nor to prevent a Board of Conciliation or other body or adjuster from recommending improvements in the matter of wages, hours of labour, or other conditions, as shall from time to time be found desirable.

8. That established safeguards and regulations for the protection of health and safety of workers shall not be relaxed.

9. That all workers, including common labourers, shall be entitled to a wage ample to enable them with thrift to maintain themselves and families in decency and comfort, and to make reasonable provision for old age.

10. That in fixing wages, minimum rates of pay should be established.

11. That women on work ordinarily performed by men should be allowed equal pay for equal work and should not be allotted tasks disproportionate to their strength.

12. That in all cases where eight hours is by law or agreement the basic day, it shall so continue. In all other cases the question of hours of labour should be settled with due regard to governmental necessities and the welfare, health and proper comfort of the workers.

13. That a maximum production from all war industries should be sought and methods of work and operation on the part of employers or workers which operate to delay or limit production or which tend to artificially increase the cost thereof should be discouraged.

14. That for the purpose of mobilizing the available labour supply with a view to its rapid and effective distribution as well as constant employment; the Managers and Operators of industrial establishments and the trade unions concerned should keep Provincial or Municipal Employment Agencies and the Canada Registration Board fully informed as to labour required or available. Those agencies should be given opportunity to aid in the distribution of labour.

15. That in fixing wages, hours and conditions of labour regard should be had to the labour standards, wage scales, and other conditions, prevailing in the locality affected, always mindful, however, of the necessity of payment of living wages.

16. That to better preserve industrial peace during the war, employers and employees should, after once establishing an agreement as to wages and working conditions, agree to its continuance during the war, subject only to such changes in rates of pay as fluctuation in cost of living may justify.

17. That when employers and employees are unable to arrive at a mutual agreement concerning any existing dispute, unless some other means of settlement is agreed upon by the parties, they should use the machinery provided for in the *Industrial Disputes Investigation Act* in an endeavour to reach an adjustment.

Should the recommendation of the Board of Conciliation not be accepted either party may appeal to the Board of Appeal who shall review the findings of the Board of Conciliation and hear such further evidence as either party to the dispute may desire to submit at their own expense, the decision of the Board of Appeal to be final.

Any settlement of a dispute referred to the Board of Conciliation, or carried in appeal to the Board of Appeal, shall be effective not later than the date on which the application for a Board of Conciliation was filed.

The Board of Appeal shall be composed of two representatives of labour, nominated by the Executive Council of the Trades and Labour Congress of Canada, two representatives of the employers, nominated by the Executive of the Canadian Manufacturers Association, and a Chairman nominated by the said members of the Board, or, in case of failure to agree upon a Chairman, then the Minister of Labour shall appoint such Chairman.

The Minister further recommends that the Minister of Labour be authorized to make regulations governing procedure on appeal provided for by paragraph 17 of the above recommendations.

Vide Canada Gazette, vol. lii, p. 352.

P.C. 1832—July 19, 1918—The Committee of the Privy Council have had before them a report, dated 19th July, 1918, from the Minister of Labour, representing that in numerous cases, especially in certain industries, the provisions of the *Industrial Disputes Investigation Act of 1917*, making it unlawful for any employer to declare or cause a lockout or for any employee to go on strike, on account of any dispute, prior to or during reference of such dispute to a Board of Conciliation and Investigation under the provisions of that Act, have been entirely ignored by one or other party to the dispute. Recently this course has been more frequently followed, resulting in cessation of work in essential industries, which might, and in many cases probably would, have been avoided had the provisions of the said Act been observed.

The Minister further observes that the Federal Government has not at any time since the enactment of that statute instituted any legal prosecution for the

violation of its provisions, nor have any such been otherwise begun except in a few cases—by private parties. And, the Minister is convinced that should the Federal Government proceed to enforce the said provisions of that Act it would increase its effectiveness in the best interests of the public.

The Minister is further of the opinion that an announcement by the Government that immediate steps to this end will be taken would tend to prevent interruption of work and avert the evils caused thereby.

The Minister, therefore, recommends that such action by the Government as may be necessary to ensure the prompt prosecution of any violation of the provisions of the said Act should be taken forthwith.

Vide Canada Gazette, vol. lii, p. 335.

P.C. 2525—October 11, 1918—Whereas the Minister of Labour represents that under the provisions of the *Industrial Disputes Investigation Act* and amendments thereto, provision is made for the establishment of conciliation boards for the adjustment of disputes between employers and employees in the manner in said Act and amendments thereto provided:

That by Order in Council (P.C. 1743) of the 12th July, 1918, provision is made for a Board of Appeal to which resort may be had when any party interested feels aggrieved by the decision of any such Board of Conciliation;

That there has been constituted by the Canadian Railway War Board, with assent of representatives of the organized bodies of railway employees, a Board of Adjusters for the settlement of disputes that may arise between the employees engaged in railway work and their employers;

That by these different dispositions full and adequate provision is made for the just and equitable settlement and adjustment of all matters of dispute that may arise between the employers and employees in the different industries affected by the *Industrial Disputes Investigation Act* and its amendments or between employers and employees in connection with the carrying on of the operations of railways in Canada, but no provision is made for enforcement of obedience to and compliance with the orders or decisions on such boards, nor is there any prohibition of strikes or lockouts, after report has been made by a Board of Conciliation;

That in view of the provisions so made and of the injurious and detrimental effects resulting from the occurrence of strikes and lockouts in the different industries affected by the *Industrial Disputes Investigation Act* and in connection with the operation of the railways, which strikes or lockouts are of a nature to seriously interfere with the carrying on of said industries and the operation of the said railways, both of which are essential to the efficient performance of Canada's duty in aiding in the effective prosecution of the present war, it is necessary and advisable that under the powers conferred upon the Governor in Council by the *War Measures Act, of 1914*, such strikes and lockouts in connection with such industries or railway operations should be absolutely prohibited during the continuance of the present war;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Labour, and under the provisions of the *War Measures Act, 1914*, is pleased to make the following regulations and the same are hereby made and enacted accordingly:—

1. In the present regulations, the word "person" wherever used, shall, save where the context otherwise requires, include every company, firm, partnership or other association of persons incorporated or unincorporated;

2. Any person who during the continuance of the present war shall incite, order or participate in a lockout or strike as defined in the said *Industrial Disputes Investigation Act* and amendments thereto, in any industry mentioned therein or to which the said Act is applicable either in virtue of its terms, or of any Act of Parliament or Order in Council amending the same, or in or in connection with the operation of any railway in Canada, before, during or after an investigation by a Board of Conciliation established under the said Act or amendments, or by a Board of Appeal

or the Board of Adjusters above mentioned, shall be guilty of an offence punishable as hereinafter provided.

3. Any employer of labour shall be guilty of an offence and liable to the penalties hereinafter provided who during the continuance of the present war shall discharge or refuse to employ workers (other than those holding positions or employment which shall be by judgment of the Board of Appeal or the Board of Adjusters above mentioned determined to be incompatible with membership in a union) merely by reason of membership in trades unions or for legitimate trade union activities outside of working hours.

4. Every worker shall be guilty of an offence and liable to the penalties as hereinafter prescribed who in the exercise of his right to organize uses either coercion or intimidation of any kind to influence any person to join his organization.

5. Every decision or order of any Board of Conciliation shall, if unappealed from within thirty days after it is rendered or made, and every decision or order of the Board of Appeal or Board of Adjusters above mentioned, shall be binding upon all persons affected thereby and any person who during the continuance of the present war fails or refuses to comply with any such order or decision of any Board of Conciliation or of the Board of Appeal or Board of Adjusters above mentioned shall be guilty of an offence and liable to the penalties hereinafter prescribed.

6. Any person violating any of the foregoing regulations shall be liable upon summary conviction to a penalty not exceeding one thousand dollars (\$1,000) or to imprisonment for a period not exceeding six (6) months, or to both fine and imprisonment.

7. (a) Any male person, employer or employee, of military age as defined by the *Military Service Act*, who violates any of the hereinabove enacted regulations and any director of such military age of any company who acquiesces in the violation by the said company of any of the said regulations, shall *ipso facto* be deemed to be a soldier enlisted in the military forces of Canada and subject to military law for the duration of the present war and of demobilization thereafter and shall forfeit any exemption granted to him and any right to apply for or obtain any exemption from military service under the *Military Service Act*.

(b) In any prosecution for acquiescence on the part of a director of any company in a violation by the said company of any of the present regulations, it shall be upon the party charged to prove non-acquiescence by him in such violation.

Vide Canada Gazette, vol. lii, p. 1444.

P.C. 880—May 1, 1919—Whereas the Minister of Labour submits that, hostilities having ceased since the passing of the Order in Council of 11th July, 1918 (P.C. 1743), and movements now being under way on the part of employers and workmen respectively with the view of improving relations between them, he is of opinion that the *Industrial Disputes Investigation Act* provides necessary machinery for dealing with industrial disputes, without the retention of the Labor Appeal Board established under the said Order in Council,—

Therefore His Excellency the Governor General in Council is pleased to order that all the provisions of the Order in Council of the 11th July, 1918 (P.C. 1743) after subsection 1 of clause 17 thereof shall be and the same are hereby repealed.

His Excellency in Council is further pleased to order and doth hereby order that in all other respects the said Order in Council shall remain in full force and effect.

The Minister may from time to time prescribe the form and the size of the letters that are to be used in such markings. Such marks may be accompanied by other trade designations or brands providing such designations or brands are not, in the opinion of the Minister, inconsistent with or marked more conspicuously than the marks prescribed in these regulations.

3. Canadian eggs for export out of Canada shall be tightly packed in Canadian standard cases in new white fillers and flats, with kiln dried excelsior or corrugated cushions at top and bottom, or one-third fillers on bottom with flats over top and under bottom fillers.

The inspector shall satisfy himself that the samples taken are representative and shall take any further samples and make any further examination that he deems necessary.

8. No cases containing eggs shall be marked with the Government mark unless the warehouse or rooms in which the eggs are held are in a clean and sanitary condition, and further, no cases shall be marked unless suitable accommodation is provided for inspectors to make the necessary

examination, such accommodation to include a dark room, facilities for candling, and such fittings as may be required to insure a proper examination.

9. No person other than a duly appointed inspector shall apply any government mark to any cases containing eggs.

Collectors of Customs throughout Canada shall see that the various exigencies and requirements of these regulations, or any ministerial or other order made thereunder, are fulfilled before granting any permit which requires, before it is given, any act to be performed or any inspection or other proceeding to be made or taken, and they shall see that the prohibitions prescribed and rules established by these regulations as hereinbefore mentioned, and the instructions which may be

issued by the Minister, are obeyed, and, in case of any infraction of the provisions of these regulations, or any of them, taking place, they shall report at once to the Minister the nature and extent of such infraction.

DEFINITION OF TERMS USED IN THESE REGULATIONS.

CONTAINERS.

“Containers” are the tin cans, glass bottles, glass or carbon jars, boxes, pails, tubs, etc., made of wood, paper or other material, or any other vessels in which canned, evaporated or otherwise preserved fruits and vegetables are kept.

THE LABEL.

The “label” is the wrapper or sticker around or attached to the container. Its function is to furnish the purchaser with a true and correct description of the contents of the container as laid down by these regulations.

STANDARDS OF QUALITY.

“Standards of quality” for these regulations shall include those standards already made by the Department of Inland Revenue under the authority of the *Adulteration Act* and regulations made thereunder, together with the following grades which shall be known as “Seconds,” “Standards,” “Choice” and “Fancy,” and when used shall appear conspicuously upon the principal part of the label in letters not less than one-half an inch in height.

NOTE.—Canned or evaporated fruits or vegetables of a quality of “Standard” grade, or better, as hereinafter defined, may be sold as “Standard” grade without declaration of grade on the label, but in every instance where any description of quality is shown, such description shall be in terms of the foregoing grading, i.e., tomatoes of a quality as hereinafter described as “Standard” tomatoes, “Choice” tomatoes or “Fancy” tomatoes would be correctly labelled “Tomatoes” without the prefix “Standard,” “Choice” or “Fancy,” provided only that they were sold as standard quality. Such terms as “Fine,” “Extra,” etc., would not be accepted or allowed. On the other hand, a class of tomatoes whose quality fell below the “Standard” grade as defined would not be correctly labelled “Tomatoes” without the word “Seconds” either above or before the word “Tomatoes” in plain type not less than one-half of an inch in height.

HEAD SPACE.

“Head Space” is that space between the under side of the top of the container and the upper level of the contents of the container. It shall in no case be greater than is necessary for the proper sealing of the container.

DEGREE OF SYRUP.

The “degree of syrup” referred to in these regulations is based on the reading of the caecahimeter or hydrometer in the syrup at a temperature of 60 degrees.

The Container.

The “container” referred to in these regulations shall be deemed to be the general type of container now in use, and which may be further described as follows:—

Number of can.	Diameter in inches.	Height in inches.	Capacity in ounces
1.....	2 $\frac{1}{8}$	4	12.6
1 tall.....	2 $\frac{1}{8}$	4 $\frac{1}{4}$	12.3
2.....	3 $\frac{3}{8}$	4 $\frac{9}{16}$	21.3
2 $\frac{1}{2}$	4	4 $\frac{3}{4}$	31.2
3.....	4 $\frac{3}{8}$	4 $\frac{7}{8}$	35
10.....	6 $\frac{7}{8}$	7	107

The foregoing shall be known as standard sizes of containers. If, in the opinion of the minister, a considerable portion of the consuming public would be benefited by the use of other sizes of containers, he may add such sizes to the standard list. All sizes shall be plainly shown on the ends of the box or case in which they are packed.

All containers not listed as standard size as stated above shall have marked thereon in addition to the information required on standard sizes, the net weight in ounces, or pounds and ounces, of the contents of the container, and, unless the container is transparent, the drained weight of the solids therein. Such information shall be conspicuously placed on the principal part of the label in plain type not less than one-eighth of an inch in height.

(A) FRUITS AND VEGETABLES AND CERTAIN OF THEIR PRODUCTS.

1. The terms *Fruits* and *Vegetables* as used in the following definitions include all those parts of plants which are ordinarily consumed as food, with the exception of plants belonging to the order Graminae (grains) and various spices. Typical examples of fruits are apples, pears, oranges, peaches, plums, grapes, currants, nuts, etc. Typical examples of vegetables are carrots, potatoes, beets, spinach, asparagus, cabbage, etc. The terms are indiscriminately applied to many articles, such as tomatoes, rhubarb, pumpkin, corn (maize), and some others.

2. *Dried Fruits or Vegetables* are the clean, sound products made by drying properly matured and prepared fresh fruits or vegetables in such a way as to take up no harmful substances; and conform in name to the particular fruit or vegetable used in their preparation.

3. *Evaporated Fruits or Vegetables* are such dried fruits or vegetables as have been desiccated with employment of artificial heat.

4. *Evaporated Apples*, including apple chop or waste, shall contain not more than twenty-five (25) per cent of moisture.

5. *Evaporated Vegetables*, with the exception of onions, shall contain not more than twelve (12) per cent of moisture.

6. *Evaporated Onions* shall contain not more than fifteen (15) per cent of moisture.

Note I.

Experimental work done in these laboratories shows that the method employed in determination of moisture in evaporated fruits and vegetables affects more or less the accuracy of the result; and in order to secure uniformity, the following method of working is provisionally adopted:—

1. A representative sample (at least 25 grammes) is comminuted by cutting with a sharp knife, on a hardwood board, until the fragments are not larger than a cube of one-fourth of an inch. Machines such as are used to cut sausage meat are objectionable, as they squeeze out more or less of the water, thus causing loss of dissolved material.

2. Weigh out duplicate portions of from 10 to 15 grammes, of the finely cut material, on tared watch glasses, and dry for two hours at 90°C. in a well-ventilated, water-jacketed oven.

3. Weigh the samples.

4. Return to oven for another hour, under same conditions as above.

5. Weigh again.

If the loss of weight between the last two weighings amounts to less than one-half of one per cent of the weight of the samples, the last weighing is to be accepted as correct, and the weight lost in three hours is to be calculated as a percentage loss on the original weight of the sample, and stated as moisture.

6. If the loss shown in the last hour exceeds one-half of one per cent of the weight of the sample, this is to be returned to the oven for another hour, under same conditions of temperature etc., and the loss of weight after the fourth hour is to be taken to be as measuring the moisture present in the original sample.

7. *Canned Fruits or Vegetables* are the sound product made by sterilizing clean, sound, properly matured and prepared fresh fruits or vegetables, by means of heat, and keeping the same in suitable, clean, hermetically sealed containers; and conform in name to the particular fruit or vegetable used in their preparation.

8. *Preserve* is the sound product made from clean, sound, properly matured and prepared fresh fruit and sugar syrup, with or without spices and vinegar, and conforms in name to the fruit used in its preparation.

9. *Jam Marmalade* is the sound product made from clean, sound, properly matured and prepared fresh fruit or fruit pulp and sugar, with or without spices or vinegar, by boiling to a semi-solid consistence; and conforms in name to the fruit used in its preparation.

10. *Fruit Butter* is the sound product made from fruit juice, and clean, sound, properly matured and prepared fruit, boiled to a semi-solid mass of homogeneous consistence, with or without the addition of sugar and spices or vinegar; and conforms in name to the fruit used in its preparation.

11. *Jelly, Fruit Jelly* is the sound, semi-solid gelatinous product made by boiling clean, sound, properly matured and prepared fresh fruit with water, concentrating the expressed and strained juice, to which sugar is added; and conforms in name to the fruit used in its preparation.

12. When *Jam, Marmalade, Fruit Butter or Jelly* contains other fruit or fruit juice than that which gives its special name to the article, the fact of the presence of such other fruit shall be stated on the label, in lettering as large and as distinct as that used in naming the fruit principally present. This requirement does not however, apply to the use of fruit juice, up to the amount of ten (10) per cent of the weight of the jam, etc., used instead of water in the manufacture of the jam, etc.

13. When *Jam, Jelly, Marmalade, etc.*, are prepared from two or more sorts of fruits, the first named fruit on the label shall be that which is present in largest amount; thus, a jam made from strawberries and apples, or apple pulp or apple jelly, shall be labelled as "Strawberry and Apple Jam" only if the weight of strawberries used exceeds the weight of apples or apple pulp or apple jelly in the product; where the weight of apples or apple pulp or apple jelly exceeds the weight of strawberries used, the label shall read "Apple and Strawberry Jam" or "Apple Jam flavoured with Strawberries," or otherwise, in such a way as to make clear the fact that strawberries are not the chief constituent.

14. When the sugar in preserve, jam, marmalade, fruit butter or jelly is wholly or partially replaced by glucose, or by any other substitute for sugar, the fact of such substitution shall be stated upon the label in plain lettering, of a size of type not less than that known as 10 point.

Note II.

It has been shown to the satisfaction of this department that processed fruit (that is, fruit which has been sterilized by heat and stored in hermetically sealed containers of proper material), may be quite as good for use in the manufacture of jams, as fresh fruit, only differing from the fresh fruit by being more or less off colour. The shortness of the fruit season in Canada renders it necessary that the larger part of our fruit should be processed as above described, in order to prevent wastage.

In recognition of the above this department will, until further advice, interpret the addition of harmless colouring matter to jams, made from sound fruit, either processed or fresh, as not "concealing damage or making the article appear better than it really is;" and will not require a declaration of the presence of such colouring matter.

Note III.

When *Jam, Jelly, Marmalade, etc.*, contain any other ingredient than one fruit (with not more than 10 per cent of other fruit juices, as provided in section 12), and sugar, the word *pure* or *genuine* is forbidden to be used as descriptive of such jam, jelly, etc. For example, a jam made from apples, strawberries, and sugar, may be named *fruit jam* or *blended jam* with or without the words "apple" or "strawberry;" (but if one fruit is named, then all the fruits present must be named in conformity with section 13), but in no case may the words "pure" or "genuine" be used in this class of jams.

(B) MILK AND ITS PRODUCTS.

In the administration of the *Meat and Canned Foods Act* and these regulations, the standards at present adopted by the Department of Inland Revenue are hereby adopted and will be enforced in so far as they apply to the products coming within the operation of the Act.

(C) GRADES OF QUALITY AND QUANTITY.

In determining the qualifications of a candidate for such positions, the examination or test may also have special reference to executive ability and tact, to such special business training as may be required, and to a successful experience in duties similar to those pertaining to the position to be filled.

12. (1) Where the appointment is one which is to be made under section 15 of the Civil Service Act, 1918, the Commission, upon receiving a notice from the deputy head that such a position requires to be filled, shall decide, first, whether the knowledge and ability requisite for such position in the Civil Service are wholly or in part professional or technical; secondly, whether there is an officer in the Service qualified for such position who could be promoted thereto; thirdly, whether open competition is practicable or necessary in the public interest. Should open competition be decided upon, the Commission shall proceed to fill the position in the manner prescribed by Section 11.

(2) Where competition is considered impracticable or unnecessary in the public interest, the Commission shall ascertain the qualifications of the person proposed to be appointed, and having satisfied themselves that he possesses the requisite knowledge and ability and is duly qualified as to health, character and habits, shall certify the appointment. In all cases where a position under this section is exempt by the Commission from competition, the reason for such exemption shall be submitted to Parliament in the annual report of the Commission.

Provided that where the public interest requires that the clerkship or position to be filled under sections 11 and 12 of these regulations shall be immediately filled, the Commission may certify a person for temporary employment pending a permanent appointment as a result of open competition.

Provided further that the Commission may exempt from examination or competition under section 11 and the present section for purpose of temporary employment

- (a) Any person required to render professional, scientific, technical or other expert service of a temporary or exceptional character.

13. Until schedules are prepared containing the titles of the positions in the Outside Service and the salaries and duties attached thereto, as required by section 52 of the Civil Service Act, 1918, the Commission enacts the following interim regulations as to entrance to this branch of the Civil Service.

The Second Division Examinations for the Inside Service, as outlined in sections 3 and 6, to qualify for clerical positions in the corresponding classes of the Outside Service for which a special examination is not prescribed.

15. Where a Department applies to the Commission for permanent or temporary nomination to a position in the Outside Service requiring special qualifications not covered by the general competitive examinations above referred to, or for nomination to a position requiring qualifications of a professional or technical nature, such position shall be filled in accordance to the provisions of sections 11 and 12 of the present regulations.

16. Where the appointment of a Postmaster in any of the smaller offices throughout the Dominion is required, the Commission shall, through the responsible official of the Post Office Department, institute inquiries in the locality in which the appointment is to be made, with a view to securing a suitable person, suitably located, for such position, and, having made a selection and having satisfied themselves that such person possesses sufficient education to enable him to efficiently discharge the duties of the position and that he is duly qualified as to health, character, and habits, the certificate required for his appointment shall be issued. In the filling of all positions of Postmaster in the large centres and in offices where the net salary exceeds \$1,000 per annum, the vacancy shall, as far as possible, be filled by promotion or transfer.

Where such procedure, for sufficient reason, is considered inadvisable in the public interest, the Commission shall invite applications for the position by public advertisement, in the locality in which the appointment is to be made, and shall select from among those applying the person who, in their judgment, is best qualified for the position. For the purpose of such selection, the Commission may make such inquiries and hold such an examination or test to determine the qualifications of the person or persons so applying as they may deem necessary.

17. The procedure outlined in subsection (2) of section 12 of these regulations shall be observed in the filling of any positions for which a suitable candidate cannot be secured from the lists established by means of the several examinations prescribed by these regulations, and for any other position for which, in the opinion of the Commission, local competition, but not necessarily written examinations, seems the most desirable and practicable means of selection.

The persons thus to be appointed shall be taken according to the year of their examination, those of the last examinations, by years, coming first, and in order of merit.

22. All positions in the Civil Service where the nature of service is such that it is not continuous through the year but recurs in each successive year, shall be designated as "Season Positions," and shall be subject to the provisions of the regulations applicable generally to positions to be filled by open competition. Any person originally appointed to a "Season Position" and whose services have been terminated by reason of the expiration of the season in any year shall be entitled to reappointment to the same position in the next ensuing or subsequent years upon filing in the office of the Commission in such form as may be prescribed, an application for such reappointment endorsed by the deputy head of the department, at least one month before the date when he shall again be required to report for service. 23. When it becomes necessary, on account of temporary pressure of work, the absence of permanent officers on leave, or for any other cause, to obtain temporary assistance in any department, or portion of the Civil Service, the deputy head, or other responsible officer, when applying to the Commission, shall state in detail the nature of the assistance required, the length of time for which it is needed, and also, in his opinion, what is a proper remuneration to be allowed for the performance of the work done and the appropriation to which the salary is to be charged.

24. (1) Assignments for such temporary employment shall be made in the following order:—

 - (c) from the lists of those who have failed to obtain the required minima but who in the opinion of the Commissioners may be considered as having a minimum of qualifications for such temporary employment.

(2) When these lists are insufficient to meet the needs of the service for temporary assistance, the Commission may hold competitive examinations for temporary employment, or may select for such employment persons who have filed an application with the Commission on the prescribed form for temporary employment. These applications shall be graded as follows:—

Selections shall be made from the lists thus established in the order of merit and, qualifications being equal, in the order in which the applications are received.

25. When selecting persons for periodical work, or for brief periods of temporary employment, the preference shall be given to those persons who were previously employed, whose services were satisfactory, and who may be available for further service.

26. When employees are required on short notice for emergency work, the responsible agent or official of the department requiring such extra assistance may engage the necessary employees, and the said officer in each such case shall report to the Commission through the deputy head of his department the names of the persons so employed, the character of their previous employment, the terms of their employment, by whom last employed, references, age, evidence as to character and the rate of compensation to be paid them. - (g) a detailed statement as to conduct and efficiency in the last two years;
- (h) reason of the exchange or transfer. Upon the approval of such report the Commission shall issue a certificate, or certificates, for such exchange or transfer.

(2) No transfer or exchange of positions involving any considerable increase of salary shall be approved unless it can be shown that there are substantial and exceptional reasons for such special treatment.

(3) No person shall be transferred whose age at the date of his first appointment exceeded the age at which he might have been appointed to the position to which he is being transferred, as prescribed by the law or regulations in force at the date of his first appointment.

PROMOTIONS.

28. Promotion from one grade, or from one class, to another shall take place only on the occurrence of a vacancy in the higher grade or class.

29. Where a vacancy is to be filled by promotion, merit shall be the determining factor and the recommendation of the deputy head to the Commission shall state:—

- (a) the name of the officer to be promoted;
- (b) date of, age and salary on entering Service;
- (c) examination passed on entering Service, or, if no examination, special grounds or qualifications upon which appointment was made;
- (d) present salary;
- (e) present duties (to be set out in detail);
- (f) proposed new duties, if any; if no change in duties special grounds upon which promotion is to be made;
- (g) whether the officer to be promoted is the senior officer in his grade or class; if not, why he is recommended in preference to the senior officer or to any other officer, or officers that might be eligible for promotion.

30. In order to enable the deputy head of the department and the Commission to judge of the relative merits of clerks recommended for promotion, there shall be kept in each department of the Civil Service a record of the conduct and efficiency of all officers, clerks and employees below Grade B of the First Division, if in the Inside Service, and in receipt of a salary less than \$2,800, if in the Outside Service. These records shall be kept on file in the department, and copies shall be sent to the Commission every six months. Should reports thus made be adverse or unfavourable, they shall be shown by the deputy head of the department, or such officer as may be designated by him, to the person respecting whom they are made. In no case will a promotion be approved where the conduct and efficiency record of the person recommended has been unsatisfactory in any period for the two years immediately preceding the recommendation for promotion.

31. Promotion shall be effective from the date the Commission signifies its approval unless antedated at the request of the deputy head; provided, however, that only in exceptional cases shall a promotion be antedated for any period in a previous fiscal year and the reasons therefor shall be fully set out in the recommendation of the deputy head.

32. Where two or more persons in the employment of a department eligible for promotion to any vacant position are recommended for the promotion by the deputy head, the Commission may, on its own initiative, or at the request of the deputy head of the department, provide a competitive examination on the work of the department limited to those who are thus recommended for promotion. Such an examination shall have regard to the requirements of the grade or class to which the promotion is to be made, and the special duties of the position to be filled. Upon the results of the examination, if satisfactory, the Commission shall issue the required certificate of promotion in favour of the most highly qualified candidate.

33. Subsections 2 and 3 of section 45 of the Civil Service Act, 1918, provides that as far as the Inside Service is concerned:—

“There shall be no promotion from the Second Division to the First Division and there shall be no promotion from the Third Division; but any person in either of these Divisions may enter for examination for appointment to a higher division;

“Provided that any person placed in the Third Division (now the Second Division), under the provisions of the Civil Service Amendment Act, 1908, and who has passed the Qualifying Examination or had been appointed under the authority of sections 37 or 40 of the Civil Service Act, Chapter 16 of the Revised Statutes of Canada, 1906, may be promoted from the Second Division to the First Division under the provisions of section 16.”

34. Inasmuch as the Civil Service Act, 1918, prescribes that stenographers and typists shall be classified in Grades C and B of the Second Division, no employee who entered the Service through the Grade C or Grade B stenographers and typists examinations shall be promoted to Grade A of the Second Division unless he is to perform the duties of a clerk.

35. Until schedules are prepared containing the titles of the positions of the Outside Service and the salaries and duties attached thereto, in accordance with section 52 of the Civil Service Act, 1918, all promotion examinations prescribed for the Outside Division of any department at the coming into force of the new Act, are hereby maintained and shall be held in accordance with the law and the regulations then governing them.

37. Sick leave in excess of the periods prescribed in the foregoing schedule may be granted without pay by the deputy head with the approval of the Commission.

38. Whenever any sick leave granted under sections 36 and 37 of these regulations exceeds six consecutive days the person applying for such leave shall obtain from one of the medical practitioners, designated in different centres by the Commission for such purpose, and forward to the deputy head a certificate stating that the applicant is, has been, or will probably be, unable to attend to his official duties during such leave of absence.

39. Temporary employees may be granted sick leave with full pay for a period of six days during the first six months' service and for each two months' further service, an additional two days, but the term of sick leave to temporary employees with full pay shall not exceed twelve days within a period of twelve consecutive months. It shall always be competent for a deputy head to grant a temporary employee such further leave without pay as he may determine.

40. Should any officer be incapacitated from work by reason of injuries accidentally received in the performance of his duties and not caused by negligence on his part, the deputy head may, with the approval of the Commission on production of a certificate from one of the medical practitioners designated by the Commission, grant leave of absence with pay for such period as in the opinion of the deputy head may be necessary for his recovery.

41. In addition to statutory leave or sick leave the deputy head may grant to any permanent officer, clerk or employee in his department special leave of absence on compassionate or other grounds for a period not exceeding six consecutive working days at a time or fifteen working days in any one fiscal year, with or without pay or with half pay during such period, or periods, or such part of the same, as determined by him.

When the special leave thus applied for covers a longer period or periods in any one fiscal year the same may be granted by the deputy head with the approval of the Commission, with or without pay, or with half pay during such period or periods, or such part of the same, as recommended by him and approved by the Commission.

42. The provisions of the preceding sections shall not become effective before the first day of December, 1918, and sick leave, or special leave granted in accordance with the law as it existed before the adoption of the Civil Service Act, 1918, or granted after the adoption of said Act by the deputy head or the Governor in Council in the absence of any other regulations are confirmed by the present regulations.

Provided, however, that sick leave, or special leave, granted but not yet expired on the first day of December, 1918, shall become subject to the present regulations.

Provided, also, that if on the first day of December, 1918, any such leave has already been granted to any Civil Servant in the twelve months preceding, or in the fiscal year 1918-19, as the case may be, it shall, wherever possible, be charged against him, in registering leave of absence under the present regulations.

43. In all cases where sick or special leave is granted under these regulations, whether to permanent or temporary employees, a report shall forthwith be made to the Auditor General and the Commission, in order that an accurate record of all such leave of absence may be maintained.

44. As soon as possible after the 1st December, 1918, a report shall be made to the Auditor General and the Commission of all sick, or special leave, granted in the twelve months preceding, or in the fiscal year 1918-19, as the case may be, to any permanent or temporary civil servant still in the employ of the Government at the date of such report.

45. The Commission shall designate in different centres duly qualified medical practitioners who shall furnish the medical certificates required under these regulations, and they shall be entitled to a fee of \$2 for such certificates to be paid by the person applying. These certificates shall be on a standard form to be prepared and furnished by the Commission.

46. The provisions of these regulations shall not be construed as taking away any of the privileges of the Governor in Council to remove or retire at any time any officer, clerk or employee on account of health.

47. Section 25 of the Civil Service Act, 1918, provides that:

"(1) The deputy head may grant to each officer, clerk or other employee, a yearly leave of absence for a period not exceeding eighteen days in any one fiscal year, exclusive of Sundays and holidays, after they have been at least one year in the service.

(2) Every such officer, clerk or employee shall take the leave so granted at such time each year as the deputy head determines."

GENERAL REGULATIONS.

48. Persons employed in any temporary capacity in the Civil Service prior to the 24th May, 1918, who were qualified for permanent appointment, may be considered eligible for such permanent appointment, provided they are recommended to the Commission by the deputy head of the department with the express statement that the public interest will best be served thereby, and provided that their temporary services had proved satisfactory.

49. When a department applies to the Commission for labourers or for tradesmen or other employees whose qualifications are not covered by either the Third Division or the Second Division Examinations provided herein, the Commission may authorize the department to proceed as set forth in sections 23 to 26 inclusive hereof or may prescribe such other method of filling the position as will ensure to all applicants an equal opportunity of receiving due consideration of their respective qualifications.

50. If the Commission requires the services of any officer in any department in connection with any appointment or promotion to be made to the Public Service, or any other matter coming under the jurisdiction of the Commission, such officer shall hold himself in readiness to co-operate with the Commission and shall place his services at the disposal of the Commission in any way and at any time.

51. In accordance with paragraph 1 of section 39 of the Civil Service Act, 1918, the number of competitors to be selected at each general competitive examination, for appointment to the Civil Service, shall be computed by the Commission on the basis of the reports from the several departments as to their probable requirements for a certain stated period. The reports must give separate lists for the Inside and for the Outside Service, and for each of their divisions, grades or classes respectively, stating the number of male and female candidates to be appointed. The title or the nature of the positions are to be given whenever possible.

52. All general competitive examinations for entrance to the Civil Service shall be advertised in the *Canada Gazette* in accordance with section 40 of the Civil Service Act, 1918, at least four weeks before the examinations are to take place. The date of these examinations shall be as advertised, but usually they will be held in May and November of each year. Special competitive examinations shall be advertised in the *Canada Gazette* at least two weeks before the examinations are to take place. Such advertisements shall, as far as practicable, state the number of positions to be competed for, the positions that are then vacant, the essential conditions to be complied with by the competitors, the subjects to be covered by any special examinations, and the places at which the examinations may be held.

53. Successful candidates in any examination for the Outside Service will be appointed to the various cities or towns of the province in which they are *bona fide* residents upon a consideration of all the circumstances, including their own wishes; but the requirements of the Civil Service must rank before every other consideration.

54. A successful competitor at any of the examinations held under the direction of the Commission for permanent employment in the Civil Service who declines to accept a permanent appointment when it is offered him, shall forfeit all future right to such appointment and his name shall be immediately removed from the eligible list unless he offers, in the judgment of the Commission, good and sufficient reason for his action, in which case his name, in the order of merit, shall be placed on the next list with those who remain unappointed as set forth in subsection (2) of section 39 of the Civil Service Act, 1918.

55. The Commission may select for any office or employment any person who is a successful competitor for a higher office or employment, provided that no such selection shall be made to the prejudice of any person on the list of successful competitors for such lower office or employment.

56. A candidate may take more than one examination at a time if they are not held on the same day, but when successful at more than one examination he shall lose his standing on the lower examination list and his name shall appear, in order of merit, only on the higher list for

which he qualified. Provided, however, that in accordance with the provisions of section 39 of the Civil Service Act, 1918, he shall not be debarred from appointment to a lower office than he is credited as being qualified for.

57. In all examinations, competitions or appointments persons who have been on active service overseas in the military or naval forces of His Majesty or of any of the Allies of His Majesty during the present war, who have left such service with an honourable record or who have been honourably discharged, and who obtain sufficient marks to pass such examinations or who possess a minimum of qualifications, shall, irrespective of the marks they have obtained or of the relative qualifications of the other candidates, be placed in the order of merit on the list of successful candidates or competitors above all other candidates or competitors.

58. (1) Except as otherwise specified in the Civil Service Act, 1918, and in the present regulations, no person shall be appointed to a clerical or lower grade position in the Civil Service or be admitted to any general competitive examination qualifying to such positions unless he has attained the full age of eighteen years and is not over thirty-five years on the first day of the examination. Provided, however, that during the continuance of the present war the minimum age limit shall be sixteen instead of eighteen. The age limits in competitions for special, professional or technical positions shall be as advertised in the *Canada Gazette* for each competition.

(2) The age limit does not apply to persons who have been on active service overseas in the military or naval forces of His Majesty or of any of the Allies of His Majesty during the present war, who have left such service with an honourable record or who have been honourably discharged; but the Commission must certify that such persons are of such an age that they are able to perform the duties of the office and will probably be able to do so for a reasonable period after appointment.

(3) Any person holding a permanent appointment in the Civil Service may enter for any open competition or examination if such person when first appointed was not older than the maximum age prescribed for the position for which the examination is being held and if successful thereat may be appointed irrespective of age.

59. No person shall, without the authority of the Governor in Council, be admitted to any examination unless he is a natural born or a naturalized British subject, and also has been a resident of Canada for at least three years.

60. Every successful candidate, before receiving a permanent appointment in the Civil Service, must furnish the Commission with a certificate of good health, which shall be filled out on standard form to be furnished by the Commission.

Provided, however, that persons who have been on active service in the military or naval forces of His Majesty or of any of the Allies of His Majesty during the present war; who have left such service with an honourable record or who have been honourably discharged must furnish the Commission with a certificate of health establishing that they are able to perform the duties of the office to which they are to be appointed and will probably be able to continue so to do for a reasonable period after appointment.

(2) There shall be designated by the Commission in each place where an examination is held or in such other places as is found advisable, one or more medical examiners, from whom such certificates shall be obtained.

(3) The fee to be paid by the applicant for the health certificate shall be:

62. No person shall be admitted to an examination from whom the Secretary of the Civil Service Commission has not received, on or before the date set in the *Canada Gazette* for such examination, an application in the hand-writing of the candidate, on the prescribed form and accompanied by the required fee. Forms, on which applications for these positions shall be made will be provided by the Commission and may be had on application to the Secretary of the Commission, to the presiding Supervisors at any examination centre or to the Postmaster at any such centre.

63. The general competitive examinations shall be held at the following places (provided that not less than three candidates make application to write at the same place):

Examinations may also be held at other places where three or more candidates make application to write.

Provided that where competitive examinations are required involving technical or scientific subjects and necessitating the use of scientific apparatus, it shall not be necessary to hold such examinations at each of the above places, but the Commission shall, as far as possible, arrange for at least one place in each province where such examinations may be taken.

64. Any subject of any examination may be written in either English or French at the option of the candidate, but the choice of language must be made at the time of application.

Department of Trade and Commerce.

By Order in Council of the 12th of May, 1919 the following standards for Cloves were made and established:—

Cloves are the dried flower buds of *Caryophyllus aromaticus* L., which contain not more than five (5) per cent of clove stems; not less than fourteen (14) per cent of volatile (essential) oil; not more than eight (8) per cent of total ash; not more than five-tenths (0.5) per cent of ash insoluble in hydrochloric acid, and not more than ten (10) per cent of crude fibre.

Cloves, whether sold in the unground or in the ground condition must meet the above requirements.

Cloves may be ground in admixture with pimento (allspice)—and sold as a mixture; but in such cases the article must be labelled *Cloves with pimento* (allspice) and the percentage of each component must be declared on the label.

[Assented to 3rd April, 1919.]

MOST GRACIOUS SOVEREIGN,

WHEREAS it appears by message from His Excellency Preamble.
the Most Noble Victor Christian William, Duke of Devonshire, etc., etc., Governor General of Canada, and the estimates accompanying the said message, that the sum hereinafter mentioned is required to defray certain expenses of the public service of Canada, not otherwise provided for, for the financial year ending the thirty-first day of March, one thousand nine hundred and twenty, and for other purposes connected with the public service: May it therefore please Your Majesty that it may be enacted and be it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, that:—

1. This Act may be cited as *The Appropriation Act*, Short title.
No. 1, 1919.

2. From and out of the Consolidated Revenue Fund there may be paid and applied a sum not exceeding in the whole fifty-two million, three hundred and ten thousand, twenty-six dollars and twelve cents towards defraying the several charges and expenses of the public service, from the first day of April, one thousand nine hundred and nineteen, to the thirty-first day of March, one thousand nine hundred and twenty, not otherwise provided for, and being one-sixth of the amount of each of the several items to be voted, set forth in the Estimates for the fiscal year ending the thirty-first day of March, one thousand nine hundred and twenty, as laid before Parliament. \$52,310,026.12 granted for 1919-20.

Account to

CHAP. 2.

An Act respecting the Units of Electrical Measure.

[Assented to 3rd April, 1919.]

HIS Majesty, by and with the advice and consent of R.S., c. 53.
the Senate and House of Commons of Canada, enacts
as follows:—

1. This Act may be cited as *The Electrical Units Act*. Short title.

2. The units of electrical measure for Canada shall
be the following:—

(a) As a unit of resistance, the international ohm, which Ohm.
is based upon the ohm equal to 10^9 units of resistance
of the centimetre-gramme-second system of electro-
magnetic units, and is represented by the resistance
offered to an unvarying electric current by a column
of mercury, at the temperature of melting ice 14.4521
grammes in mass, of a constant cross-sectional area
and of the length of 106.300 centimetres arranged in
accordance with the specification contained in Schedule
A to this Act;

(b) As a unit of current, the international ampere, which Ampere.
is one-tenth of the unit of current of the centimetre-
gramme-second system of electro-magnetic units, and
is represented by the unvarying current which, when
passed through a solution of nitrate of silver in water,
and in accordance with the specification contained in
Schedule B to this Act, deposits silver at the rate of
 0.00111800 of a gramme per second;

(c) As a unit of electro-motive-force, the international Volt.
volt which is the electro-motive-force that steadily
applied to a conductor whose resistance is one inter-
national ohm, will produce a current of one international
ampere. The Weston Normal Cell may be used as a
standard of electric pressure, and when set up in
accordance with the specification contained in Schedule
C to this Act, may be taken as having, at a temperature
of $20^{\circ}\text{C}.$, an electro-motive-force of 1.0183 volts.

Apparatus
to be
deposited
in the
Dept. of
Trade and
Commerce.

3. Such standard apparatus as is necessary to produce the units of electrical measure described in this Act, shall be deposited in the Department of Trade and Commerce and shall form part of the system of standards of measure and weight established by the *Weights and Measures Act*.

Repeal.

4. The *Electrical Units Act*, chapter fifty-three of the Revised Statutes of Canada, 1906, is hereby repealed.

SCHEDULE A.

Specification Relating to Mercury Standards of Resistance.

The glass tubes used for mercury standards of resistance must be made of a glass such that the dimensions may remain as constant as possible. The tubes must be well annealed and straight. The bore must be as nearly as possible uniform and circular, and the area of cross-section of the bore must be approximately one square millimetre. The mercury must have a resistance of approximately one ohm.

Each of the tubes must be accurately calibrated. The correction to be applied to allow for the area of the cross-section of the bore not being exactly the same at all parts of the tube must not exceed 5 parts in 10,000.

The mercury filling the tube must be considered as bounded by plane surfaces placed in contact with the ends of the tube.

The length of the axis of the tube, the mass of mercury the tube contains, and the electrical resistance of the mercury are to be determined at a temperature as near to 0°C. as possible. The measurements are to be corrected to 0°C.

For the purpose of the electrical measurements, end vessels carrying connections for the current and potential terminals are to be fitted on to the tube. These end vessels are to be spherical in shape (of a diameter of approximately four centimetres) and should have cylindrical pieces attached to make connections with the tubes. The outside edge of each end of the tube is to be coincident with the inner surface of the corresponding spherical end vessel. The leads which make contact with the mercury are to be of thin platinum wire fused into glass. The point of entry of the current lead and the end of the tube are to be at opposite ends of a diameter of the bulb; the potential lead is to be midway between these two points. All the leads must be so thin that no error in the resistance is introduced through conduction of heat to the mercury.

The filling of the tube with mercury for the purpose of the resistance measurements must be carried out under the same conditions as the filling for the determination of the mass.

The resistance which has to be added to the resistance of the tube to allow for the effect of the end vessels is to be calculated by the formula:— $A = \frac{0.80}{1063\pi} \left(\frac{1}{r_1} + \frac{1}{r_2} \right)$ ohm.

where r_1 and r_2 are the radii in millimetres of the end sections of the bore of the tube.

The mean of the calculated resistances of at least five tubes shall be taken to determine the value of the unit of resistance.

For the purpose of the comparison of resistances with a mercury tube the measurements shall be made with at least three separate fillings of the tube.

SCHEDULE B.

Specification Relating to the Deposition of Silver.

The electrolyte shall consist of a solution of from 15 to 20 parts by weight of silver nitrate in 100 parts of distilled water. The solution must only be used once, and only for so long that not more than 30 per cent of silver in the solution is deposited.

The anode shall be of silver, and the kathode of platinum. The current density at the anode shall not exceed $1/5$ ampere per square centimetre and at the kathode $1/50$ ampere per square centimetre.

Not less than 100 cubic centimetres of electrolyte shall be used in a voltameter.

Care must be taken that no particles which may become mechanically detached from the anode shall reach the kathode.

Before weighing, any traces of solution adhering to the kathode must be removed, and the kathode dried.

SCHEDULE C.

Specification Relating to the Weston Normal Cell.

The Weston Normal Cell is a voltaic cell which has a saturated aqueous solution of cadmium sulphate ($\text{CdSO}_4 \cdot 8/3 \text{H}_2\text{O}$) as its electrolyte.

The electrolyte must be neutral to Congo Red.

The positive electrode of the cell is mercury.

The negative electrode of the cell is cadmium amalgam consisting of 12·5 parts by weight of cadmium in 100 parts of amalgam.

The depolariser, which is placed in contact with the positive electrode, is a paste made by mixing mercurous sulphate with powdered crystals of cadmium sulphate and a saturated aqueous solution of cadmium sulphate.

For setting up the cell, the H form is the most suitable. The leads passing through the glass to the electrodes must be of platinum wire, which must not be allowed to come into contact with the electrolyte. The amalgam is placed in one limb, the mercury in the other.

The depolariser is placed above the mercury and a layer of cadmium sulphate crystals is introduced into each limb. The entire cell is filled with a saturated solution of cadmium sulphate and then hermetically sealed.

The following formula is recommended for the E.M.F. of the cell in terms of the temperature between the limits $E_t = E_{20} - 0.0000406 (t-20^\circ) - 0.00000095 (t-20^\circ)^2 + 0.00000001 (t-20^\circ)^3$.

SCHEDULE.

P.C. 517.

AT THE GOVERNMENT HOUSE AT OTTAWA,

Friday, the 7th day of March, 1919.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

Whereas under the authority of "The Appropriation Act No. 2, 1918," the Governor in Council advanced the sum of \$7,471,399.93 or thereabouts to the Grand Trunk Pacific

Railway Company for certain purposes in said Act defined, including the meeting of "deficit in operation of the Grand Trunk Pacific Railway System," such sum being in addition to other large sums previously advanced under previous authority for similar purposes.

And Whereas a letter dated 4th March, 1919, from the Vice-President of said Company was received by the Minister of Finance, as follows:—

"I am instructed to inform the Government that in view of the fact that the increased rates applicable to the Grand Trunk Pacific Railway have not been sufficient to meet the increased operating expenses, it will not be possible for that Company to continue its operations when the present funds have been exhausted, which will be about 10th instant. May I ask you to be so good as to acknowledge receipt of this letter."

And Whereas should the operation of the Grand Trunk Pacific Railway System be discontinued, great detriment to the public interests would ensue, and the intention of Parliament in authorizing the said advances would be defeated.

And Whereas the continued operation of said system is essential in the present position of Canada resulting from the war, which has not yet been terminated by Peace, especially in connection with the transport of returning Canadian Troops and of supplies and equipment and freight, and other services made necessary by the war.

And Whereas for the protection of the public interests and for the purposes aforesaid, it is essential that the operation of said system should be continued without interruption.

And Whereas the duty of continuing such operation is thrown upon the Government of Canada inasmuch as there are no effective provisions in existing laws whereby such continued operation could be otherwise secured.

And Whereas immediate action by the Government is imperative.

Therefore His Excellency the Governor General in Council, under the authority of the War Measures Act, 1914, and of all other authority in that behalf, is pleased to order and it is hereby ordered as follows:—

1. In this Order, unless the context otherwise requires:—

tenances and the undertaking and works of the Grand Trunk Pacific Steamships Company; (4) the properties, hotels, and appurtenances and the undertaking and works of the Grand Trunk Pacific Development Company.

(b) "Officers" means and includes Directors, President, Vice-Presidents, Managers, Secretary, Treasurer, Clerks, Servants and employees.

(c) "Books and papers" means and includes books of accounts or of entries relating to the business or operation or maintenance of the said lines of railway or telegraph or steamships, vessels, hotels, properties or works, or any of them, or any part thereof, also records, statements and documents relating to such business, operation, or maintenance or any part thereof.

(d) "Exchequer Court" means the Exchequer Court of Canada.

(e) The singular number includes the plural and the plural the singular, the male gender includes the female, and the female the male.

(f) "Person" includes corporation.

(g) "Government Receiver" means the Receiver appointed by this Order.

2. The Minister of Railways and Canals is hereby appointed Receiver of the Grand Trunk Pacific Railway System, and such Receiver shall have and exercise with respect to the said system and every part thereof and to the companies included therein, powers and duties similar to those of a receiver under section 26 of the Exchequer Court Act.

3. On the application of the Government Receiver the Exchequer Court of Canada may make such orders respecting such Receiver and his powers and duties and the carrying out thereof, including the issue of Receivers Certificates, as the Court may deem necessary or expedient in the public interest.

4. Subsections 5 and 6 of section 26 of the said Act shall apply to the Government Receiver and to the Grand Trunk Pacific Railway System and every part thereof and to the companies included therein—except that no remuneration of the Receiver shall be fixed by the Court.

5. The Government Receiver may, on or after the 10th day of March, 1919, or on such earlier day as the Grand Trunk Pacific Railway Company, or any Company included in the Grand Trunk Pacific System, may cease to operate efficiently its undertaking and works, or any portion thereof, take possession of such undertaking and works, and the Exchequer Court may from time to time make and enforce such orders in aid of the Government Receiver with respect to taking of such possession or otherwise as

the Court may deem expedient for the carrying out of the provisions of this Order according to their true spirit and meaning.

6. Each Company included in the Grand Trunk Pacific Railway System and its officers shall facilitate the carrying out of the powers and duties of the Government Receiver, and all books and papers, real or personal property of each of the said Companies, in its possession or under its control or the control of its officers or any of them, shall without delay be handed over to the said Receiver or his nominees or placed under his control in such manner as he may direct.

7. Any officer of the Company included in the Grand Trunk Pacific Railway System, who obstructs the Government Receiver in carrying out his powers and duties, or fails to hand over to him or his nominees, or to place under his control, any book or paper, real or personal property in accordance with the foregoing provisions, shall incur a penalty for each breach of said provisions of the amount hereinafter stated, viz., in the case of a President, a Vice-President or a Director, the sum of ten thousand dollars (\$10,000); in the case of a Manager, with the authority of or similar to that of a General Manager or of one acting for or assisting a General Manager, the sum of five thousand dollars (\$5,000); in the case of a Secretary or of a Treasurer, or of one acting for or assisting a Secretary or Treasurer, the sum of two thousand five hundred dollars (\$2,500); in the case of any clerk, servant or employee, the sum of one thousand dollars (\$1,000).

8. Any penalty incurred under the foregoing provisions may be sued for and recovered, with costs, in the Exchequer Court, by suit or proceeding in such Court instituted by the Attorney General of Canada.

9. Nothing in this Order contained, and nothing done or to be done under the authority hereof, shall render the Government of Canada or the Government Receiver, or anyone acting under the authority of the Government Receiver, or of the Exchequer Court, liable to the Grand Trunk Railway Company of Canada, or to any Company included in the Grand Trunk Pacific Railway System, or to any creditor, or holder of any bonds, debentures, debenture stock or other securities of the said Companies, or any of them, for any claim by reason of the making of this Order, or of anything done or to be done under the authority hereof or under the authority of the Government Receiver or of the Exchequer Court, nor shall afford any defence to, nor shall prejudice any claim, action, or proceeding of the Government of Canada which the Government might lawfully make or take, had this Order not been made.

10. All Officers except the Board of Directors of any Company included in the Grand Trunk Pacific Railway System shall continue to discharge for the Government Receiver, till further orders or directions by him, duties in connection with the operation and management of the undertakings and works of any Company included in the Grand Trunk Pacific Railway System, similar to their present duties, so that no interruption in the operation and management thereof may occur.

11. Nothing herein contained or done, or to be done hereunder, shall prejudice the exercise by the Exchequer Court or by any Court of any Province of Canada of its present jurisdiction under the Exchequer Court Act, or under any other law or jurisdiction, to appoint a receiver or to order or decree a sale or foreclosure of any railway, or section thereof, or other property affected by this Order: Provided that before any such sale or foreclosure is ordered or decreed or any Receiver is appointed by any such Court, notice of the application shall be given to the Minister of Railways and Canals of Canada, and he, or counsel for him, shall be heard upon the application; and the Court in granting, or refusing or postponing the application, shall take into consideration the public interests involved, and shall make such order as shall in the opinion of the Court protect the public interests.

12. The Minister of Railways and Canals mentioned in this Order means the Minister for the time being, and upon a vacancy occurring his successor shall become the Government Receiver. The powers and duties of the Government Receiver may be exercised by such member of the Government as may from time to time be the acting Minister of Railways and Canals.

13. Should it be made to appear to the Government Receiver that any book or paper is or has been used for the purposes of the operations of the Grand Trunk Railway Company of Canada, as well as the operations of any Company included in the Grand Trunk Pacific Railway System, and that for such reason the same should not be handed over to the Receiver or placed under his exclusive control, the Government Receiver may, on such terms and conditions as he may deem necessary, allow the joint use of same to be continued. The Government Receiver may open such books and accounts as in his opinion may be necessary, to separate and transfer from any such book or paper, jointly used, accounts and entries relating to any of the Companies included in the Grand Trunk Pacific Railway System, and may so separate and transfer the same; and the said Receiver shall keep the accounts of his receipts, expenses and disbursements in connection with each of the Companies included in the said System, and their works, undertakings and properties, or parts thereof,

in such manner that one may be distinguished from another, and that the interests of the various parties interested therein may be ascertained.

14. The Governor in Council may, from time to time, under the Order of the Exchequer Court, and upon the security of Receivers Certificates, or otherwise, advance to the Government Receiver such sums as may be required to enable him to exercise his powers, and to perform his duties as Receiver, the sums so advanced shall be paid out of any unappropriated monies in the Consolidated Revenue Fund of Canada.

Petition and Receiving Order.

4. (1) Subject to the conditions hereinafter specified, if a debtor commits an act of bankruptcy a creditor may present to the court a bankruptcy petition. Bankruptcy petition.

Affidavit.

(2) The petition shall be verified by affidavit of the creditor or of some person on his behalf having knowledge of the facts, and be served on the debtor in the prescribed manner.

Conditions on which creditor may petition.

(3) A creditor shall not be entitled to present a bankruptcy petition against a debtor unless,—

(a) the debt owing by the debtor to the petitioning creditor, or, if two or more creditors join in the petition, the aggregate amount of debts owing to the several petitioning creditors amounts to five hundred dollars; and,

b) the act of bankruptcy on which the petition is grounded has occurred within six months before the presentation of the petition.

Court.

(4) The petition shall be presented to the court having jurisdiction in the locality of the debtor.

Proof of debt, etc.

(5) At the hearing the court shall require proof of the debt of the petitioning creditor, of the service of the petition, and of the act of bankruptcy, or, if more than one act of bankruptcy is alleged in the petition, of some one of the alleged acts of bankruptcy, and, if satisfied with the proof, may adjudge the debtor a bankrupt and in pursuance of the petition, make an order, in this Act called a receiving order, for the protection of the estate.

May dismiss petition.

(6) If the court is not satisfied with the proof of the petitioning creditor's debt, or of the act of bankruptcy, or of the service of the petition, or is satisfied by the debtor that he is able to pay his debts, or, in case an authorized assignment has been made, that the estate can be best administered under the assignment, or that for other sufficient cause no order ought to be made, it may dismiss the petition.

Stay of proceedings.

(7) Where the debtor appears on the petition, and denies that he is indebted to the petitioner, or that he is indebted to such an amount as would justify the petitioner in presenting a petition against him, the court, on such security (if any) being given as the court may require for payment to the petitioner of any debt which may be established against him in due course of law and of the costs of establishing the debt, may, instead of dismissing the petition, stay all proceedings on the petition for such time as may be required for trial of the question relating to the debt.

Receiving order on another petition.

(8) Where proceedings are stayed, the court may, if by reason of the delay caused by the stay of proceedings or for any other cause it thinks just, make a receiving order on the petition of some other creditor, and shall thereupon dismiss, on such terms as it thinks just, the petition in which proceedings have been stayed as aforesaid.

Petition cannot be withdrawn.

(9) A creditor's petition shall not, after presentment, be withdrawn without the leave of the court.

(10) The bankruptcy of a debtor shall be deemed to have relation back to and to commence at the time of the service of the petition on which a receiving order is made against him.

Commencement of bankruptcy.

Interim Receiver.

5. The court may, if it is shown to be necessary for the protection of the estate, at any time after the presentation of a bankruptcy petition, and before a receiving order is made, appoint an authorized trustee as interim receiver of the property of the debtor, or of any part thereof, and direct him to take immediate possession thereof or of any part thereof.

Interim receiver may be appointed.

Trustee under receiving order.

6. (1) On the making of a receiving order the trustee shall be thereby constituted receiver of the property of the debtor and thereafter, except as directed by this Act, no creditor to whom the debtor is indebted in respect of any debt provable in bankruptcy shall have any remedy against the property or person of the debtor in respect of the debt, or shall commence any action or other legal proceedings unless with the leave of the court and on such terms as the court may impose. But this section shall not affect the power of any secured creditor to realize or otherwise deal with his security in the same manner as he would have been entitled to realize or deal with it if this section had not been passed.

Receiving order shall vest property in trustee.

(2) The court may constitute as such receiver the trustee named in the petition or some other authorized trustee acting for or within the same bankruptcy district as such named trustee, having regard as far as the court deems just to the wishes of the creditors as proved by any sufficient evidence.

Selection of trustee.

(3) On a receiving order being made against a debtor the property of the debtor shall forthwith pass to and vest in the trustee named therein and in any case of change of trustee, shall pass from trustee to trustee, and shall vest in the trustee for the time being during his continuance in office, without any conveyance, assignment, or transfer whatever.

Property of debtor vested in trustee.

(4) The court, upon the application of the trustee or of a creditor proceeding under authority of an ordinary resolution carried by the votes of a majority in number of the known creditors, and upon satisfactory proof that the affairs of the debtor can be more economically administered within another bankruptcy district or division, or for other sufficient cause, may at any time by order, transfer any proceedings under this Act, which are pending before it to

Transfer of proceedings to another division.

another bankruptcy district or division wherein thereafter they may be carried on as effectually as if therein commenced, or the court in which any such proceedings were commenced may of itself, for like cause upon satisfactory proof that such proceedings were commenced in good faith and not for the purpose of attempting to vest authority over the estate involved in any particular authorized trustee or in the authorized trustee acting for or within any bankruptcy district, and provided that such proceedings were commenced within the province of the debtor's locality, order that such proceedings be retained in the bankruptcy district or division in which they were commenced, although the court so ordering may not be the court in which the proceedings ought to have been commenced.

Order to proceed in same court.

Stay of Proceedings.

Power to stay proceedings.

7. (1) The court may, at any time after the presentation of a bankruptcy petition against a debtor, order that any action, execution or other proceeding against the person or property of the debtor pending in any court other than the court having jurisdiction in bankruptcy shall stand stayed until the last mentioned court shall otherwise order, whereupon such action, execution or other proceeding shall stand stayed accordingly; and the court in which any such proceedings are pending may likewise, on proof that a bankruptcy petition has been presented against the debtor, stay such proceedings until the first mentioned court shall otherwise order.

Stay of proceedings.

(2) On the making of a receiving order every such action, execution or other proceeding for the recovery of a debt provable in bankruptcy shall, subject to the provisions of the next preceding section as to the rights of secured creditors, stand stayed unless and until the court shall, on such terms as it may think just, otherwise order.

Application of Part I.

8. (1) The provisions of this Part of this Act shall not apply to wage-earners or to persons engaged solely in farming or the tillage of the soil.

Certain acts of debtor not deemed an available act of bankruptcy.

12. No advantage shall be taken of or gained by any creditor through any mistake, defect or imperfection in any authorized assignment or in any receiving order or proceedings connected therewith, if the same can be amended or corrected; and any mistake, defect or imperfection may be amended by the court. Such amendment may be made on application of the trustee or of any creditor on such notice being given to other parties concerned as the judge shall think reasonable; and the amendment when made shall have relation back to the date of the assignment or petition in bankruptcy, but not so as to prejudice the rights of innocent purchasers for value.

Amendment of assignment by judge.

Composition, Extension or Scheme of Arrangement.

13. (1) Where an insolvent debtor intends to make a proposal for,—

Composition, extension, or scheme of arrangement.

- (a) a composition in satisfaction of his debts; or,
- (b) an extension of time for payment thereof; or,
- (c) a scheme of arrangement of his affairs;

he may, either before or after the making of a receiving order against him or the making of an authorized assignment by him, require in writing an authorized trustee to convene at the office of such trustee a meeting of such debtor's creditors, for the consideration of such proposal. In case the convening of such meeting is required after a receiving order or assignment has been made only the trustee named in such order or assignment, or his successor, shall be authorized to convene it.

(2) The debtor shall at the time when he requires the convening of such meeting, or within such time as the trustee may then fix, lodge with the trustee,—

Proceedings by debtor.

- (a) a true statement of the debtor's affairs, including a list of his creditors, which list shall show the post office address of and the amount payable to each creditor, the whole statement being verified by the debtor by way of statutory declaration; and,
- (b) a proposal in writing signed by the debtor, embodying the terms of the proposed composition, extension or scheme and setting out the particulars of any sureties or securities proposed.

(3) The trustee shall, when so required, convene a meeting of creditors, and shall, at least ten days before the meeting, send to each creditor a notice of the time and place of such meeting and a copy of the debtor's

Proceedings by trustee.

statement of affairs and of his proposal; if at such meeting a majority in number of creditors who hold two-thirds in amount of the proved debts resolve to accept the proposal, either as made or as altered or modified at the request of the meeting, it shall be deemed to be duly accepted by the creditors, and if approved by the court shall be binding on all the creditors.

Creditor may assent or dissent by letter.

(4) Any creditor who has proved his debt may assent to or dissent from the proposal by a letter to that effect addressed postage prepaid and registered to the trustee, prior to the meeting, and any such assent or dissent if received by the trustee at or prior to the meeting shall have effect as if the creditor had been present and had voted at the meeting.

Application for approval.

(5) The trustee shall forthwith, if the proposal is accepted by the creditors, apply to the court to approve it.

Examination of debtor.

(6) If creditors who hold ten per cent or more in amount of proved debts request the examination of the debtor, the trustee shall cause him to be examined under oath before the registrar or other officer appointed for that purpose by General Rules and his testimony to be taken down in writing. The testimony, so taken, may be read upon the hearing of the application for the approval of the composition or scheme of arrangement. The court if not satisfied with such testimony as so taken, may direct that the debtor attend before the court for the purpose of further examination.

Court to hear report of trustee.

(7) The court shall, before approving the proposal, hear a report of the trustee as to the terms thereof, and as to the conduct of the debtor, and any objections which may be made by or on behalf of any creditor.

Court may refuse to approve the proposal.

(8) If the court is of opinion that the terms of the proposal are not reasonable, or are not calculated to benefit the general body of creditors, or in any case in which the court is required, where the debtor is adjudged bankrupt, to refuse his discharge, the court shall refuse to approve the proposal.

Reasonable security.

(9) If any facts are proved on proof of which the court would be required either to refuse, suspend or attach conditions to the debtor's discharge were he adjudged bankrupt, the court shall refuse to approve the proposal unless it provides reasonable security for payment of not less than fifty cents on the dollar on all the unsecured debts provable against the debtor's estate.

Power of court.

(10) In any other case the court (subject to the provisions of subsection sixteen of this section) may either approve or refuse to approve the proposal.

Evidence of approval.

(11) If the court approves the proposal, the approval may be testified by the seal of the court being attached to the instrument containing the terms of the proposed composition, extension or scheme, or by the terms being embodied in an order of the court.

(12) A composition, extension or scheme accepted and approved in pursuance of this section shall be binding on all the creditors so far as relates to any debts due to them from the debtor and provable under this Act, but shall not release the debtor from any liability under a judgment against him in an action for seduction, or under an affiliation order or for alimony, or under a judgment against him as co-respondent in a matrimonial case or for necessaries of life or alimentary debts, except to such an extent and under such conditions as the court expressly orders in respect of such liability.

Approval binding on creditors, but does not release debtor from judgments.

(13) The provisions of a composition, extension or scheme under this Act may be enforced by the court on application by any person interested, and any disobedience of an order of the court made on the application shall be deemed a contempt of court.

Provisions may be enforced.

(14) If default is made in payment of any instalment due in pursuance of the composition, extension or scheme, or if it appears to the court, on satisfactory evidence, that the composition, extension or scheme cannot, in consequence of legal difficulties, or for any sufficient cause, proceed without injustice or undue delay to the creditors or to the debtor, or that the approval of the court was obtained by fraud, the court may, if it thinks fit, on application by the trustee or by any creditor, adjudge the debtor bankrupt, make a receiving order against him and annul the composition, extension or scheme, but without prejudice to the validity of any sale, disposition or payment duly made, or thing duly done, under or in pursuance of the composition, extension or scheme. Where a debtor is adjudged bankrupt under this subsection, any debt provable in other respects, which has been contracted before the adjudication, shall be provable in the bankruptcy.

Proceedings in case of default.

(15) All parts of this Act shall, so far as the nature of the case and the terms of the composition, extension or scheme admit, apply thereto as if the terms "trustee," "bankruptcy," "bankrupt," "assignment," "authorized assignment," "assignor," "authorized assignor," "order" and "order of adjudication" included respectively a composition, extension or scheme of arrangement, a compounding, extending or arranging debtor and an order approving the composition, extension or scheme.

Definitions.

(16) No composition, extension or scheme shall be approved by the court which does not provide for the payment in priority to other debts of all debts directed to be so paid in the distribution of the property of a bankrupt or authorized assignor.

Priority of debts.

(17) The acceptance by a creditor of a composition, extension or scheme shall not release any person who under this Act would not be released by an order of discharge if the debtor had been adjudged bankrupt.

Effect of acceptance.

Court may make order annulling bankruptcy or assignment.

(18) Where a debtor has been adjudged bankrupt or has made an authorized assignment, and the court subsequently approves the composition, extension or scheme, it may make an order annulling the bankruptcy or authorized assignment and vesting the property of the debtor in him or in such other person as the court may appoint on such terms and subject to such conditions, if any, as the court may declare.

Composition not binding in certain cases without assent.

(19) Notwithstanding the acceptance and approval of a composition, extension or scheme, it shall not be binding on any creditor so far as regards a debt or liability from which, under the provisions of this Act, the debtor would not be discharged by an order of discharge in bankruptcy, unless the creditor assents, (as, for the purposes solely of proceedings relating to a composition, extension or scheme he may, notwithstanding any thing in this Act, so assent) to such composition, extension or scheme.

Otherwise he shall, within a reasonable time after receipt of such application, fix a time and place for a hearing before him in support of the application and shall send or cause to be sent due notice thereof by registered letter to the applicant or to any counsel whom in or by his application or declaration the applicant may have authorized to receive communications on his behalf. Such assistant registrars shall, within the limits of their several appointments, while acting as such, have the powers and perform the duties of registrars.

(2) Every registrar shall, immediately after taking such oath, post up or cause to be posted up in conspicuous places within the city or town or part thereof for which he has been appointed, sufficient copies of a poster notice in form *DDD* with dates, hours and place of sitting properly stated therein. (3) Every registrar shall provide, within the city or town or part thereof for which he is appointed, a convenient place, properly lighted and heated, and being the place mentioned in such notice, for the purpose of the registration of voters. (c) Wherever the language of the applicant is not understood by the registrar an interpreter may be sworn and may act; in the event of inability to secure an interpreter the application shall, for the time being, be refused.

He shall, unless he be a judge, before acting as such, be sworn before a judge of a court of record to the faithful performance of his duties. He shall dispose of all matters coming before him in manner not inconsistent with the provisions of this Act and, save as otherwise provided, may prescribe or confirm such procedure as to notice, evidence or otherwise as, in his judgment, is fair and reasonable according to the circumstances, and in case any matter or thing respecting the revising of lists for the purposes of the pending election is not specifically or sufficiently provided for in this Act, the revising officer shall deal with the same on principles of equity and justice.

(13) The revising officer shall first sit at such place as he may fix and notify by previous public advertisement for four days, on the twenty-first day before the polling day. He shall continue in session as revising officer for six days excluding Sunday.

METHOD OF REVISION.

(14) The revising officer shall revise the lists of voters to which his appointment relates, in the following manner, but in accordance with all other provisions in these rules contained, that is to say:—

(a) All the names appearing on such lists and against which no appeals have been asserted to him and also all the names appearing on any provincial list adopted as a basis for the preparation of voters' lists pursuant to section eight of this Act shall be allowed to stand without investigation as to qualification;

(b) Opposite to or at the side of the name of any person struck off such list of voters he shall write the words "struck off" followed by his initials.

(c) The onus of substantiating sufficient *primâ facie* ground to strike off any name shall be upon the applicant, and the person whose name has been objected to shall not be called upon for any evidence or proof until the revising officer avers that in his opinion such *primâ facie* ground has been established, nor shall the absence or non-attendance of any person whose name has been objected to relieve the applicant from substantiating such *primâ facie* case. No complaint or appeal shall be heard by the revising officer to strike names off the list of voters unless two days' notice in writing has been given by mailing it registered and prepaid to the person affected, addressed as on the list of voters or to his last known residence.

(d) If an applicant has been refused registration by the registrar such refusal may be reviewed by the proper revising officer upon presentation to such revising officer of a certificate in Form *FFF*, but, notwithstanding the provisions of this rule, any person claiming to be entitled to be placed on any list of electors preparable for any polling division which is wholly or partly contained within any city or town or part thereof under the provisions of this Part may, notwithstanding that he has neglected or omitted to apply for registration at any of the sittings of any registrar, and, as well, any person who has applied and has been refused registration, (whether or not he obtains or presents a certificate in Form *FFF*) may apply at any of the sittings of the revising officer to have his name entered on such list of voters, and he shall be entitled to have his name entered on such list if, after *viva voce* examination on oath the revising officer shall be of opinion that such applicant possesses the necessary qualifications; no notice of application shall in such cases be required.

(e) The revising officer may, without previous notice, complaint or appeal, correct any mistake which is proved to him to have been made by the registrar in respect of any name, residence, occupation or otherwise howsoever.

(f) In all proceedings under this Act the revising officer shall have, with reference to the matters in this Act contained, all the powers which belong to or might be exercised by a judge of a court of record in any action pending in his court.

(15) On the twelfth day before the polling day the revising officer shall

(a) initial all changes or additions made by him to each list of a polling division, and shall write and sign at the foot or end thereof the words following—

“I certify that the foregoing is a correct list of the voters in polling division No. . . . (or as the case may be) of the electoral district of, as revised on appeal by me this day of, 19.

(16) Upon completion of printing the revising officer shall carefully compare the printed lists with the originals in his hands, making necessary corrections so that the printed copies shall accord with the written copy, and thereafter certifying under his hand as true copies all such printed lists and dispatching to the Clerk of the Crown in Chancery the original lists from which the printing was done and twelve copies of such printed lists, and to each of the candidates or their agents twenty copies thereof.

(17) The revising officer shall so provide that the printing of such lists shall be completed and copies thereof be delivered to the candidates or their agents at least four days before the polling day.

(18) All lists of voters printed and certified as hereinbefore provided shall be and be considered official lists of voters of the polling division to which they relate.

(19) In the event of a revising officer's death, resignation, inability or refusal to act the Governor in Council may appoint another to act in his stead.

(20) The revising officer shall deliver or cause to be delivered, at or before eight o'clock in the morning of the polling day, or sooner if the returning officer so directs, deliver to the deputy returning officer for the polling division to which it relates a certified copy of the voters' lists for such deputy returning officer's polling division which list shall be the official list for such polling division.

SCHEDULE C.

Rules and Directions for Enumeration of Voters (Section 12) applicable only to polling divisions whereof no parts are contained within cities or towns of more than one thousand population.

(1) The returning officer shall, immediately after receipt by him of the writ of election, appoint under his hand sufficient competent and reliable persons, one only for each polling division, to be enumerators of voters, and every

of such enumerators shall, before acting as such, take the oath in Form *E* as in Schedule One to the *Dominion Elections Act*. Whenever a competent person can be secured as enumerator within the limits of the polling division to be enumerated such person shall be appointed and only in case of necessity shall enumerators be selected from outside polling divisions.

(2) Each enumerator shall, after taking such oath, whenever the returning officer so directs, and strictly regarding and observing the terms of section eight of this Act, compile a list of the persons who are qualified as electors to vote within the polling division for which the enumerator has been appointed at the election then pending, making at least three plainly written copies of such list, with the names of the voters placed or added thereon or thereto by him arranged in alphabetical order, stating the occupation and residence of each voter and writing the letter *W* in brackets, thus [*W*], after the name of every female voter whose name he places on, adds to or permits to remain on said list, the whole as in form *JJJ* to this Act.

(3) Each enumerator shall complete, date at his place of residence and sign such copies of the voters' list on the fifteenth day before the polling day and not otherwise; two of such copies he shall post up in two of the most public and conspicuous places within such polling division and another he shall retain for revision. He shall on the same day deliver or send by registered mail to each of the candidates a copy of such list. He shall attach to each of the copies so posted up a written notice signed by him and designating a place within the polling division and a time where and when electors may conveniently find him during the hours between two and six o'clock in the afternoon of every day except Sunday of the five days next following the fourteenth day before the polling day. He shall attend and remain at such designated place during the designated times.

(4) If any enumerator, at any time after posting up any voters' list, and not later than the tenth day before the polling day, is fully satisfied from representations made to him by any credible person that the name of any person who is qualified as an elector to vote at the election then pending within the polling division for which the enumerator has been appointed has been omitted from the voters' list he shall add such name to the copy of the list in his possession, below his signature, and attest by his initials such addition. If in like manner fully satisfied that the name of any person who is not qualified as aforesaid appears on such list he may draw erasing lines through such name and attest by his initials in like manner. If he finds that the occupation, addition or residence of any voter is inac-

curately stated on the list he may correct the inaccuracy and attest by his initials as aforesaid.

(5) Every enumerator, having revised and corrected such retained copy of the voters' list compiled by him shall write at the foot of such copy and close to the last name thereon, on the ninth day before the polling day, a certificate in the form of the second certificate contained in said form *JJJ*. He shall also on the same day deliver or mail by registered letter to each of the candidates a statement of the additions made to and of the changes made in the list posted pursuant to these rules, and, at or before eight o'clock in the morning of the polling day, or sooner if the returning officer so directs, deliver to the deputy returning officer for the polling division to which it relates the said list so retained and certified, which shall be the official voters' list for such polling division, but such list shall be subject to further correction on the polling day as by section thirteen of this Act provided.

(6) In the event of the death or illness of any enumerator or of his neglect or refusal to perform any duty imposed upon him by this Act, the returning officer may appoint another person, with power, after taking the oath in form E in Schedule One to the *Dominion Elections Act* to act in such enumerator's place and stead.

What Board may consider in deciding undue preference.

320. In deciding whether a lower toll, or difference in treatment, does or does not amount to an undue preference or an unjust discrimination, the Board may consider whether such lower toll, or difference in treatment, is necessary for the purpose of securing, in the interests of the public, the traffic in respect of which it is made, and whether such object cannot be attained without unduly reducing the higher tolls. R.S., c. 37, s. 319.

321.
